NOTICE OF AVAILABILITY FINAL ENVIRONMENTAL ASSESSMENT AND FINDING OF NO SIGNIFICANT IMPACT FOR THE PROPOSED GRANT COUNTY REGIONAL AIRPORT RUNWAY 17/35 IMPROVEMENTS

Interested parties are hereby notified that the Federal Aviation Administration (FAA) has approved a Final Environmental Assessment (Final EA) and prepared Finding of No Significant Impact (FONSI) for the proposed Runway 17/35 Improvements at the Grant County Regional Airport (GCD), located southwest of John Day, Grant County, Oregon.

Grant County (the Airport Sponsor) proposes to widen the primary runway at GCD to provide a minimum runway width of 75 feet to meet FAA design standards. The improvements also include reconstruction of the runway in order to increase the runway single wheel capacity to 16,000 pounds or more to meet the requirements of the critical aircraft and forecasted fleet mix. Previous materials and slotted underdrain pipes will be installed along runway shoulders to collect stormwater runoff and facilitate infiltration. Other project components include relocating the PAPI at the Runway 17 end, relocating runway edge lights and threshold lights, and re-painting runway markings.

The Final EA and FONSI found that the project is consistent with existing environmental policies and objectives as set forth in the National Environmental Policy Act (NEPA) of 1969 and will not significantly affect the quality of the human environment.

In accordance with current Council on Environmental Quality (CEQ) regulations, copies of the FONSI and Final EA will be available for review at the following locations through February 25, 2022: project website at: <https://grantcountyoregon.net/150/Airport>. A printed hard copy of the Final EA or FONSI can be reviewed upon request by contacting Haley Walker, Grant County Regional Airport, 72000 Airport Road, John Day, OR 97845 or walkerh@grantcounty-or.gov.

Please direct written comments to: Ilon Elizabeth Logan, Federal Aviation Administration, Seattle Airports District Office, 2200 S 216th Street, Des Moines, WA 98198 or Ilon.Logan@faa.gov.
