LEGAL NOTICE FOR DEIS COMMENT PERIOD
ELLIS INTEGRATED VEGETATION PROJECT
 The draft environmental impact statement (DEIS) for the Ellis Integrated Vegetation Project is now available for public review and comment. A notice of availability (NOA) was published in the Federal Register on March 4, 2022, and a Legal Notice was published in the East Oregonian (the newspaper of record) on March 3, 2022. The Ellis project is intended to increase forest health and vigor; enhance unique plant communities; improve wildlife habitat; maintain and continue public and traditional land uses; and protect values at risk, public and firefighter safety. The project is located on the Umatilla National Forest between Ukiah and Heppner, OR and is within Morrow, Umatilla, and Grant Counties. The project area is about 114,600 acres which includes approximately 4,600 acres of private land. Approximately 105,000 acres may be considered for treatment on National Forest System lands. No treatments are proposed by private landholders at this time, but the Forest Service is working collaboratively with partners and neighbors to improve resiliency across boundaries and meet objectives of this project. The DEIS analyzes the environmental consequences of the no action alternative, the proposed action, and four action alternatives developed in response to public comments. The DEIS and supporting documents are available on the Umatilla National Forest project webpage at: <https://www.fs.usda.gov/project/?project=41350>. This project is subject to comment pursuant to 36 CFR 218, Subparts A and B. Only those who submit timely project-specific written comments during a public comment period are eligible to file an objection. Individuals or representatives of an entity submitting comments must sign the comments or verify identity upon request. The Forest Service will accept comments on the DEIS for 45 days following publication of the NOA in the Federal Register published on March 4, 2022. The publication date of the NOA in Federal Register is the exclusive means for calculating the comment period. Commenters should not rely upon dates or timeframe information provided by any other source. It is the commenter's responsibility to ensure timely receipt of comments (36 CFR 218.25). Submit electronic comments to the Ellis Project website (link above) under Get Connected on the right side of screen, click on Comment on Project. Attachments may be in the following formats: plain text (.txt), rich text format (.rtf), Word (.doc, .docx), or portable document format (.pdf). Written comments can be submitted by fax (541) 427-3018 or mailed to Doug McKay ATTN: Leslie Taylor, Heppner Ranger Station, PO Box 7, Heppner OR, 97836. Comments received, including the names and addresses of those who comment, will be considered part of the public record on this proposal and will be available for public inspection (40 CFR 1501.7 and 1508.22; Forest Service Handbook 1909.15, Section 21). For oral comments or more project information contact project team lead Lizzy Berkley at 541-278-3814 or elizabeth.berkley@usda.gov.
