NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS Owner-Occupied Housing Rehabilitation Program

201 S. Humbolt Canyon City, OR 97820

June 8, 2022 (541) 575-1555

On or about June 16, 2022, Grant County will submit a Request for Release of Funds (RROF) to the Oregon Business Development Department (OBDD) for the release of Community Development Block Grant (CDBG) funds under Title I of the Housing and Community Development Act of 1974 as amended, for its housing rehabilitation program. The purpose of Grant County's housing rehabilitation program is to use to perform repair and rehabilitation of existing singlefamily, owner-occupied units located in Incorporated and non-incorporated areas of Grant, Baker, Union, and Wallowa Counties. Annually, the program rehabilitates over 10 low- to-moderate-income homes with approximately \$400,000 of CDBG funds. Specific locations of individual units to be rehabilitated cannot be de-

termined prior to the completion of the Area-Wide Environmental Review and the RROF. For the housing rehabilitation activities proposed Grant County is using a Tiered Environmental Review format and process proposed under HUD Regulations for the National Environmental Policy Act at 24 CFR Part 58.15.
In this first tier, a broad area-wide statutory review of the housing re-

habilitation program has identified laws and authorities that we have determined will not be triggered by the location of the rehab program These laws include: Floodplain Management (24 CFR Part 55 and Executive Order 11988), The Coastal Zone Management Act of 1972, the Wild and Scenic Rivers Act of 1968, The Clean Air Act, The Farmland Protection Policy Act of 1981, The Environmental Justice Executive Order 12898, The Noise Abatement and Control Standard (24 CFR part 51B) and The Explosive and Flammable Operations Standard (24 CFR Part 51C).

In the second tier review, Grant County identified laws and authorities that must be analyzed with site-specific environmental review checklists for each property location. These laws include: Historic Preservation (36 CFR Part 800), Flood Disaster Protection Act of 1973, Floodplain Management (Executice Order 11988), Toxic Chemicals and Radioactive Materials (HUD Notice 79-33).

An Environmental Review Record (ERR) that documents the environmental determinations for this project, along with a copy of Grant County policies and processes to be followed for site specific reviews, is on file, and may be examined or copied weekdays from 8:30 a.m. to 4:30 p.m. at:

Grant County Economic Development office, 530 E. Main #6, Johr Day, OR 97845

PUBLIC COMMENTS: Any individual, group, or agency may submit written comments on the ERR to the Grant County Economic Development Office. All comments received by June 15, 2022 will be considered by Grant County prior to submission of a request for release of funds

OBJECTIONS TO RELEASE OF FUNDS: OBDD will accept an objections to its approval of the release of funds and the Grant County certification for a period of fifteen days following the anticipated submission date or actual receipt of the request for release of funds (whichever is later) only if they are on one of the following bases: OBDD will accept objections to its Release of Funds only if they are

based on one of the following:

A. The certification was not executed by the Certifying Officer of Grant County.

B. Grant County has omitted a step or failed to make a decision or

finding required by HUD regulations at 24 CFR Part 58. C. Grant County has committed funds or incurred costs not authorized by 24 CFR Part 58 before approval of a release of funds by

D. Another federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality.

Objections must be prepared and submitted in accordance with the required procedure (24 CFR Part 58), and shall be addressed to OBDD at 775 Summer Street NE, Suite 200, Salem, OR 97301-1280. Objections to the release of funds on bases other than those stated above will not be considered by OBDD.

Potential objectors should contact OBDD to verify the actual last day of the objection period. It is estimated that any objection received after July 3, 2022 will not be considered by OBDD.
