

Letter to the Editor

Kudos to schools for their work on behalf of students

Congratulations to the Warrenton School Board, superintendent, principals, teachers, staff and volunteers.

The positive news about our school system didn't happen by accident.

Each one of these people deserves our praise for their teamwork to get here. I would especially like to thank Mrs. Salmi for the reading program and the volunteers who are involved.

I have always maintained that poor readers will fall behind and are more apt to drop out. This effort will pay dividends to life.

With the new Vo-Tec program in process here in Warrenton, many more students will stay in school and be ready for the work force. Instead of minimum-wage jobs, they will have tools to advance their incomes and education. Good trades people are always in demand.

Thank you from our community. We are proud of you.
