Human Services panel has openings

Clatsop County seeks citizens to serve on the Human Services Advisory Council.

The council advises county commissioners on services for residents with developmental disabilities, mental illness and drug or alcohol addictions.

The panel identifies needs, establishes priorities for publicly funded services and assists in selection of service providers, evaluates services and provides a link to the public through advocacy and education.

There are three openings on the council, each for two-year terms. Commissioners will make the appointments.

Application forms are available online at co.clatsop.or.us, from the office at 800 Exchange St., Suite 410, or by calling 503-325-1000.

March comes in like a lion... or an adopted dog or cat!
