**GEORGE
McCARTIN**
for Commissioner

I wish to serve the good people of Warrenton, Hammond and West Astoria for the next four full years. Along my door-to-door walks in Warrenton, I encountered a person who served eight years as an official; he was not very encouraging. He said he accomplished nothing; he agreed to vote for me anyway.

I am confident that as your Commissioner positive outcomes will result with regard to our tax money, our justice system, and our environment. As a trial lawyer, and a government investigator/conciliator for 53 years this was accomplished by means of solidarity and dialogue.

Let me continue this practice as your Commissioner.
