## Scandinavian Park moves step closer to reality

Astoria Scandinavian Heritage Association received a grant from the Oregon Cultural Trust, which will allow

the group to hire a consultant to help organize a fund-raising campaign for Astoria Scandinavian Heritage Park.

The Organizational and Professional Development Grant program was developed by Oregon Cultural Trust Partners to strengthen cultural nonprofit leadership and organizational effectiveness to better serve Oregon's cultural community.

Astoria Scandinavian Heritage Park will be built on the Riverwalk between 15th and 16th streets.

The public space will make locals and visitors aware of the area's unique cultural identity and commemorate the contributions and influences of the Scandinavian community to the general identity of the region.

For more information on the proposed park, visit [www.astoriascanpark.org](http://www.astoriascanpark.org).
