Former City Attorney Jeanyse Snow dies

Former Warrenton City Attorney Jeanyse Snow died April 6 in Portland. She was 75.

Jeanyse, a lifelong Astoria resident, was born March 28, 1945, to Floyd and Laura Reith.

She graduated in 1963 from Astoria High School as class valedictorian and graduated from the University of Oregon Clark Honors College in 1967.

After marrying Astoria attorney Hal Snow, she attended Willamette University College of Law, where she was one of only two women to graduate. She also was editor of the Willamette Law Review.

She went on to earn her juris doctorate in 1970. Eventually she joined her husband's law firm, which eventually became Snow & Snow, where she specialized in land-use law and handled all the firm's

appeal cases.

The couple had two children, Jeremy and Randy.

The Snows worked as a team, filling the role of city attorney for both Astoria and Warrenton. Hal Snow was Warrenton's official city attorney for 45 years.

Her husband and law partner died in December 2016 and Jeanyse closed their law firm on Commercial Street in Astoria and retired at that time.

Hal and Jeanyse Snow supported numerous nonprofit groups, including Friends of Astoria Column, Astoria High School Scholarships Inc., Columbia River Maritime Museum, Oregon Community Foundation, restoration of the Liberty Theatre and Oregon Children's Theater.

They also were avid sports fans and supporters of the University of Oregon Ducks, Astoria Fishermen, and held season tickets to the Portland Timbers soccer team, Thorns women's soccer team and

Trail Blazers basketball.

Jeanyse Snow is survived by her sons, Jeremy of Portland and Randy of Salem; a sister, Patricia Krumm of Oregon City; a brother, Arthur Reith of Gearhart; and six grandchildren.

Services are pending. Caldwell's Luce-Layton Funeral Home is in charge of arrangements.

In lieu of flowers, the family suggests donations in Snow's name to the Columbia River Maritime Museum, 1792 Marine Drive, Astoria 97103; to Liberty Restoration Inc., 1203 Commercial St., Astoria 97103; or the OHSU Knight Cancer Institute, P.O. Box 29017, Portland 97296.

Timber sales gave western Oregon \$13.8 million boost

The Oregon and Washington division of Bureau of Land Management sold 48.8 million board feet of timber at auctions in March.

The timber, from "Railroad Revested Lands" in western Oregon, sold for nearly \$13.8 million.

"Timber sales continue to support Oregon's economy and well-paying jobs in local communities," Acting State Director Jose Linares said. "These sales are also an important tool to accomplish our forest management ob-

jectives."

For every million board feet of timber harvested on BLM-administered lands in western Oregon, an estimated 13 local jobs are created or maintained and \$647,000 of employment income is invested into local economies. One million board feet of timber is enough to build approximately 63 family homes.

The bureau manages 245 million acres of public land found primarily in 12 western states.

County seeks nonprofit groups for surplus jail office equipment

The county's efforts to turn the former Oregon Youth Authority facility into a new jail has an unexpected side benefit: surplus furniture and equipment.

Clatsop County is offering the items free to nonprofit groups.

Items include office furniture, kitchen appliances, shelving and some building materials.
