## Letters to the Editor

### Thanks for making event a success

Organizers of Warrenton's Drive-in Movie night would like to thank the following sponsors and those who donated to make the evening a success.

Thank you to Gateway Community Church for use of the parking lot and restrooms; Dale and Janelle Adams, who let us project the movie on their building; Main Street

Market, which donated all the candy; the Van Dusen Family, who donated the Aquafina; Mike Moha, who donated the popcorn; and a special thank you to Astoria Underground Tours and Jeff Daly, for being our tech guru and projecting the film for us, along with his assistant, Ray Merritt.

The event was free to attendees, a gift to the community from Spruce Up Warrenton and the Astoria-Warrenton

Area Chamber of Commerce. Cash donations also were received from Rick Newton, attendees, and others.

Those who helped with traffic control were Sylvia Stevens and Brian Dennon of Warrenton's CERT, Community Emergency Response Team; Helen Tessler, Ken Davis, Jim Dutcher, Norm Hoxsey, Kelsey Balensifer, Jeanne Smith, and Brenda Hoxsey.

Mike Moha and his son made the best popcorn in town and it was delivered hot to the cars.

### County plan not about resiliency

At the Clatsop County Board of Commissioners meeting on Oct. 14, there was a lashing to the public about some of the letters written to the board being too harsh.

There is no doubt that as residents we are frustrated. Having no other avenue to voice our opinions is harsh.

The lack of transparency of this project are harsh. The reality that this project has changed from Countywide Bypass to Resiliency routes and recently to Recovery routes is harsh. The purchase of a road to move traffic, destroy rural and forest lands for development is extremely harsh.

The fact that there is to be nothing implemented in this plan for saving of lives in a Cascadia event is the harshest reality of all.

Who is this project resilient for? The public or just county public works?
