It has been a matter of speculation for years as to how far beneath this surface the roll of the ocean could be felt. A diver who has been down to the Oregon says that in one of the alleys between the house on the deck he seized a trunk, and while trying to make fast to it and send it up to the surface the roll of the sea continually swept him and the trunk athwartships. This also disposes of the theory that sea-sickness may be avoided by walking across to Europe.

The Oregonian says: Should President Cleveland marry Miss Folsom, the result will probably be an expense to the people of the United States of \$200,000 to \$300,000. She is 22 years of age, and very probably will be a "president's widow" from forty to seventy years, drawing a pension of \$5000 per annum, as the woman who married President Tyler forty-three years ago is still doing.

John C. Calhoun is on record as having once tried to write a poem. A pretty girl asked him to do it, and he recently gave his consent, beginning the effort with the immortal word "whereas." He never got any further. If the formula could work that way with all spring poets, it ought to be made obligatory by constitutional amendment.

The young Harvard student who was caught stealing watches and money from his classmates in the gymnasium will probably be set down as a kleptomaniac because his people have money. If he were poor he would be called a common thief.

Official figures from the Denver Mint give the mineral output for Colorado for 1885 as follows: Gold, \$5,000,000; silver, \$13,500,000; copper, \$1,700,000; lead, \$3,301,000 total, \$22,501,000.

The mayor of Boston vetoed the ordinance making 8 hours a legal day's work for the city. This is nothing. They used to hang women down there.

The State of California has appropriated \$25,000 to aid in making the Grand Army Encampment a success.

Cure For Piles. Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure.
