Maxwell has confessed to the murder of Preller, that he planned the murder in order to obtain his money.
The Philadelphia Times quotes Walter Scott to the effect that "one blast upon Jeff Davis' horn is worth a hundred thousand Republican votes."
Beecher's son may not be confirmed Collector at Port Townsend, W. T., since the old man has given the Democrats in Congress the title of "double ended ass."
No matter what may be done to the contrary, Blaine's prospects of again being the Republican standard bearer at next Presidential election seems to be a foregone conclusion.
Jeff Davis shakes the bloody shirt. The Oregonian shakes Col. Cornelius shirt. If there were ladies on the tickets we would advise some man to hold his nose and shake Scott's shirt.
It is said that St. John positively refuses to come to Oregon for less than \$25,000 and that Owen Houston & Co. are short in their bank account, hence he will not appear in the present campaign.
The Fish Commissioners arrived at Portland Or., Saturday. They started on the 8th inst. with 1,000,000 shad. Three hundred thousand died en route; half a million were planted in the Columbia at Wallula, to be placed in the Junction, and 200,000 started for Albany, to be placed in the Willamette, together with 500,000 which were hatched en route.
Grand Master Workman Powderly discusses the boycott question from a lazar point of view. He argues that the weapon is out of foreign construction and denies that the workman is its originator. His argument is intended to show that for years the employer has boycotted employees by sending out bad reports to other manufacturers of men they decided to keep out of work. The present discriminations of some employers against members of the Order of Knights of Labor, he charges, is a boycott. He is in favor of driving the boycott and the necessity for it from the land.

Proper Treatment For Coughs.
That the reader may fully understand what constitutes a good Cough and Lung Syrup, we will say that Far and Wild Cherry is the basis of the best remedies yet discovered. Cure For Piles.
Piles are frequently preceded by a sense of weight in the back, loins and lower part of the abdomen, causing the patient to suppose he has some affection of the kidneys or neighboring organs. At times, symptoms of indigestion are present, flatulency, uneasiness of the stomach, etc. A moisture, like perspiration, producing a very disagreeable itching, after getting warm, is a common attendant. Blind, Bleeding and Itching Piles yield at once to the application of Dr. Bosanko's Pile Remedy, which acts directly upon the parts affected, absorbing the Tumors, allaying the intense itching, and effecting a permanent cure. Price 50 cents. Address: The Dr. Bosanko Medicine Co., Piqua, O. Sold by W. F. Kremer, Grant's Pass.
