Rich Mines.

Official advices from Granite Mountain mine show that, during 1886, there were shipped one million four hundred and eighty-three thousand five hundred and ninety-nine and sixty-six hundredths ozs. of pure silver, six hundred and seventy thousand, four hundred and forty-four ounces of gold. The gross proceeds of bullion produced were $1,476,781, and the proceeds of smelting ore sold during the year were $160,184.77, making a total of $1,637,930.69. The production in January of this year was about $166,700. Recent sales of the stock of ths company have been made at $67.50 per share, which rate represents a total valuation of $27,000,000. The Boston and Montana yielded $514,537.58 in 1886. The Helena Mining and Reduction Company produced $575,901.88; and the Hope, $145,515.82.

THE LIME KILN CLUB.

Brother Gardner Expresses Himself on Fortune Telling.

"Ar' Brudder Invisible Jackson in de hall to-night?" blandly queried the president as the meeting opened.

Invisible was visible. He was back by the stove and had his shoes off to tickle his chilblains. After a little delay he made his way to the upper end of the hall and the president continued:

"Brudder Jackson, de report has come to me dat you ar' tellin' fortunes in your ary'hood fur de small sum of two bits a pusson."

"Yes, sah, I'ze bin tellin' a few." as you hev bin a member of dis club fur de las' two y'ars you mus' be aware of de fack dat fortune tellin', sellin' dream books an' all dat sort of nonsense am agin our rules. A pusson who sots out to hev his fucher predicted am soft in de head; de pusson who takes money to predict it am a knave. I shall suspend you from membership fur three months, an' if we h'ar dat you am still in de swindlin' bizness you will be expelled fur good. You kin put on your hat an' go."

Invisible was badly broken up, and there were tears in his eyes as he passed out. When he had gone the president continued:

"I want to say to dis large, cultivated and refined audience dat de fate of Invisible Jackson will be de fate of any odder member who am found so fur off his balance as to be runnin' after fortune tellers, no matter how cheap deir prices. My experience in de world has taught me:

"1. If dar' was anything in good dreams I'd hev bin an angel long ago.

"2. If dar' was anything in bad ones I'd have bin in de odder place afore I was 20 y'ars old.

3. It am werry pleasant to be told dat you am gwine to fall heir to great riches, but dat doan' buy 'taters nor pay rent.

"4. Only sich men as hate work, an only sich wimin as want an excuse to leave home believe in fortune tellin.'

"5. If it am predicted dat a man am gwine to hev a great piece of luck he'll sot down in some saloon to wait for it.

"6. If it am predicted dat he am goin' to hev a trouble he'll go home an' blame his wife an' lick his children.

"I warn you to let de hull bizness alone. A dollar a day an' a steady job will pan out more money in six months dan all de fortune tellers in the world kin bring ye in fifty y'ars. Dar am jist as many good dreams as bad, an none of 'em am worf de powder to blow up an' ole hoss. Signs might have meant sumthin' 1,000 y'ars ago, but dey am played out now. If you h'ar de 'death tick' in a wail it's jist as much a sign dat you am gwine to find a diamond pin in the road as it ar' dat some of the fam'ly ar' gwine to die afore the y'ar is out. Let us now pick up de abnormal bizness of de meetin'."—[Detroit Free Press.

Stange Freak of Nature.

G. W. Smith, Esq., of this city is the owner of a cow which gave birth to a fine heifer calf on March 12th, and to another one on the 29th, just 17 days after the first one came. The latter calf, though small, is well developed and the cow and calves are all doing well. If this cow keeps furnishing a calf every seventeen days for a few years, the Squire will no doubt go into the stock business. To say the least, this is certainly an unusual occurence.—[Lebanan Express.

Dispatches from Fort Sully, Dakota territory, state that the troops stationed there have been ordered to proceed to Winnebago and the Crow reservation and drive the settlers from their lands. The orders are very strict, even to destroying property if found necessary. There is the greatest excitement, and some fears of a small rebellion are entertained. These lands were thrown open by the Arthur administration. Cleveland's revocation of the order brought on the present crisis.

Another war speck has appeared and it is claimed Russia is going to "move on to Herat."

On The River.

The Topsey and Three Sisters are busily engaged in bringing down from the Luckiamute rafts of logs for the sawmill company. About 4,000,000 feet of logs are now on hand, and the water near the mill has been so filled up that it has become necessary to utilize the upper part of the slough. There are but two boats which are engaged in river traffic, beside the Three Sisters. These are the Bently and Orient. The O. P., through the Bently, is landing a large amount of freight, and at times shipments of wheat have been specially heavy. Mr. Crosby, the wheat buyer, purchased for his San Francisco firm during the past few months half a million bushels of wheat, the greater part of which is shipped by the Oregon Pacific.—[Statesman.

The commissioners appointed to inspect a section of the California and Oregon railroad report that they found the road in first class condition. It is the purpose of the Southern Pacific people to have the road completed in October or November next.

There are 2,000 tons of silver and forty-eight tons of gold in the U. S. treasury vaults, and there is no more room for storing that kind of stuff. The question is, "What will be done with that which is to come in now?"

ASTONISHING SUCCESS.

It is the duty of every person who has used Boschee's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at 10 cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.
