effort to get a bad measure through our national congress, while good laws were easily enacted. Now the conditions are reversed. The few honest members of that once great body of men must fight Cowito Mrs F Ellsworth John until the last ditch to prevent villainous refunding schemes and other methods of robbery from passing into laws. To get meritorious bills passed in these modern times of money bags is a stupendous un dertaking.

In our own country a man puts his perjured oath against his own mortgage

sustained this right, and they fold the truth, but they were not heard because

modern law is subject to so many tech

nicalities that the truth is no better than a cunning lie. Twenty years ago in Southern Oregon two hundred and fifty dollars was con-sidered a good fee for an attorney and this fee would insure the trying of the appelate court. The attorney took his own notes and made his own trips. The trend of modern times puts the fee in the lower court at five hundred dol'ars; the notes are taken by a stenographer at high figure, payable by the client and, it he wishes to appeal another attorney fee must be paid for a printed brief, all of which the chent must meet with money much scarcer than it was
