# Now is the Time to Subscribe for the Courier

You want the news of Grants Pass and Josephine . County-this is what we propose to give our subscribers.

We will work for the the interests of Josephine County and Southern Oregon, so in helping the Courier you help yourselves.

There are other reasons, of course-Send in your \$1.25 in advance.

# Not How Cheap, but How Good.

If your child is seriously ill you do not go the rounds to find the physician who will attend the patient for the least money-No, indeed! You secure the best physician to be had ; the best is none too good.

If you have an important case at law you do not secure the services of the cheapest attorney-you want the best,

You should use the same good judgment in the selection of your printer. The standing of a firm is often decided by the appearance of us office stationery. We can give you the best work to be had anywhere.
