Deafness Cannot be Cured. By local applications as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten is caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give \$100 for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

MARRIED.

BENSON—COOK—Sunday, July 28th, Rea W. Benson to Miss Grace Cook. Rev. N. F. Jenkins officiating.

Rev. N. F. Jenkins of the Methodist Episcopal church last Sabbath spoke the impressive words that made Rea W. Benson and Miss Grace Cook one. The ceremony was a quiet one, there being but three or four present. Rea somewhat surprised his friends in his taking this step, but still they do not deny him the right to do so since he is of age and can look out for himself. Rea, who is the eldest son of Judge H. L. Benson, is well known in Grants Pass, having been raised here, and he has many friends among the boys who will wish him well. Miss Grace Cook is a grand-daughter of Mr. and Mrs. Chas. Coy living one and one half miles out of town. She has been living in Grants Pass for three or four years attending school and here the admiration ripened into marriageable affection resulting as above stated. For the present Mr. and Mrs. Benson will reside at the home of Chas. Coy, while Rea is book keeper for the S. P. D.&L. at the summit mill. We extend our congratulations and wish these young people happiness and prosperity.
