Captain Harry Wells will be unable to deliver his lectures here the latter part of the month as advertised.

Elmer Mc Gregor is seriously ill with inflammatory rheumatism at the residence of his mother, Mrs. L. A. Mc Gregor, in Portland.

WANTED—An intelligent, energetic woman to learn and eventually manage a pleasant profitable business. Address W. K. & C., Grants Pass, Or.

J. L. Yukum the harness and shoe maker who was one of the sufferers by the recent fire is now occupying the Lamar building on Front street.

Scott Griffin intends to put up a building, 50 by 100 feet, next season on the corner of Sixth and I streets, the former site of Johnson's grocery, which was burned last spring.

The post office building has been fitted with a new floor and the shelving is being rapidly put in place. It will be occupied by W. E. Dean of the Red Star store, who expects to be ready to receive customers by Friday.

The work on the buildings of R. L. Coe and D. McCarthy has been somewhat delayed by the scarcity of brick. They have procured brick from Medford to finish their buildings, and the work is now proceeding merrily.

Flour as cheap as the cheapest—Wades.

J. T. Flynn, once owner of the town-site of Grants Pass, writes to a friend of his in this city that he is now in the employ at the San Francisco "Call", as an oil expert in the oil regions of southern California, at a salary of \$25 per day.

WANTED—An educated, self-reliant woman, of good address, willing to travel for a firm. Must be thoroughly reliable. Address Traveler, Grants Pass, Or.

Dr. T. A. Howland, who has been located at this place for some months, past, left last week for Crescent City, Calif., where he will open an institute for the cure of inebriates. We would like to think that he had accomplished all the necessary work in his line, in Grants Pass.

Jewell buys Gold at the old stand.

W. S. Woods of the Palace hotel will, inside of a few days, begin the construction of a two-story brick hotel building, 50 by 100 feet on the former Palace hotel site. He will ship his brick from Oakland. This is to be a fine building and will be a credit to the town. Pressed brick will be used in its construction.

M. W. Wheeler and family, who are here from Sumpter, Ore., visiting relatives and friends, expect to return in a few days.

MISS DOBSON,

INSTRUCTION IN VOCAL AND PIANO MUSIC.

Studio at Mrs. Pigney's Tuesdays and Fridays.

Rev. F. Strange, of Ashland, passed through Grants Pass Wednesday morning returning from the meeting of the Synod of Oregon.

Wednesday forenoon, a wooden plug blew out of the 6-inch main at the intersection of Front and Fifth streets, causing a wet time there until the water could be turned off.

A. B. Cousin of Galice spent last Friday in Grants Pass, taking the evening train for Portland. The occasion of his trip is said to be one of utmost importance, as he is about to enter into that blissful state which should be the ambition of all young men of good intentions.

Last week's school notes contained the startling announcement that the literature class had finished "Chauncies" prologue to "Canterbury Tales". This was rightly deemed to be too free an interpretation of the copy and a better one would read "Chauncers prologue to Canterbury Tales."

You can have at home in your own room, Turkish, Russian, Hot-air, Steam, Vapor, Medicated, Perfumed, Mineral, Salt, Quinine, Hop or Sulphur Baths at a trifling cost, by using the improved Quaker Bath Cabinet. Specially recommended for rheumatism. For further particulars see Joseph Moss, General Agent. Office in Iron building opposite Hotel Josephine.

The foundation of A. Lempe's new brick building on Front street is nearly laid. Messrs Huggins and Eastman are doing the bricklaying.

Wm. Hale Thompson of the Old Channel Mining Co. who has been visiting the property of his company on Six Mile creek for the past week returned to Grants Pass Sunday evening.

H. C. Berry, superintendent of the Illinois and Josephine Gravel Mining Co.'s mine on Josephine creek came in Sunday evening. He reports the development work as progressing satisfactorily and expects after two more weeks to be ready for the water when it comes.

The company is putting in quite an elaborate plant and expects good returns. Josephine creek was the first creek mined in southern Oregon, and has always paid.

Demented.

About two weeks ago, Wm. Gerlinger, who was working on the Old Channel Mining Co.'s ditch became demented and ran away into the woods. The whole crew turned out and hunted for him half a day without success. On Wednesday of last week, he appeared in Grants Pass at the brewery, changed his clothes there and disappeared before the authorities got the matter in hand. He has not since been heard of. He is not violent, but seems to want to run away from something. About \$25 of his wages was due him from the company, which sum has been deposited in the bank for him.

WOOD wanted on subscription, at the office.

McPherson-Booth Nuptials.

St. Luke's Episcopal church in this city was the scene of a very pleasant wedding on Wednesday last at 5 p. m. The contracting parties were Miss Emma Louisa, daughter of the Rev. Chas. Booth, rector of the church, and Mr. James Lennox McPherson, of Seattle. The church was tastefully decorated by loving hands and filled by invited friends and admirers. The best wishes of the community go with the newly married couple.

Come and Settle.

Having lost a good deal by the fire and needing money badly, I am obliged to ask those who are owing me to settle their accounts at the earliest possible date. J. WOLKE.
