They claim that patents can now be procured in less than half the time formerly required.

A foot ball game has been arranged to take place between the Ashland and Medford teams at Medford on Thanksgiving day. This will probably be a more evenly contested and therefore, more satisfactory game than the recent one between Ashland and Eugene. This game is for the championship of Southern Oregon. The successful team will challenge any team in this part of the state of a corresponding average weight 145 pounds.

Farming in Josephine county is not done altogether on a small scale. Those who think so, will have their theories badly shattered by a visit to the farm of C. O. Bigelow, on Williams creek. The Bigelow farm comprises 780 acres. He raised this year about 700 tons of hay, and about 200,000 pounds of potatoes besides grain and other produce. He has about 400 head of cattle which he feeds during the winter. His barns are arranged in such a way as to minimize the waste in feeding, to the greatest possible extent. The revenue and increase of this place amount yearly to \$14,000 or \$15,000, which is no small business.
