J. W. Baker, a former resident of Grants Pass, is now in the city for the purpose of opening a steam laundry. Mr. Baker and brother, Omar, have owned a laundry in Berkeley, Calif., and the Berkeley Daily Gazette speaks in high terms of the boys and their work.
Mr. Baker has a car load of the best and latest improved laundry machinery and Grants Pass will soon have a plant installed that is equal to anything between Sacramento and Portland, and the work turned out cannot be excelled in any city. This city is a good opening for an enterprising laundry and we are glad that Baker Bros. have decided to locate here. Omar Baker will be here in a few weeks.
There has never been a better and cleaner Minstrel performance in Grants Pass than the one next Saturday night. This popular company of colored comedians, singers and dancers, have appeared in every city in this country, and they always have had the reputation of carrying a company of ladies and gentlemen. You may rest assured if you take your sister, mother, or some one else's sister, that you will have no cause to regret it. The Pioneer Press of St. Paul says: It was the brightest and cleanest minstrel performance ever given on a St. Paul stage. And as a result the audience were well pleased and showed their appreciation by the continuous applause." The prices for this engagement will be 25, 50, and 75c.

The Coral Union.
If the first meeting of the Grants Pass Choral Union can be taken as an index to the succeeding meetings of the season it can truly be said that this year will eclipse former years in interest and profit to the members. About 35 singers were gathered in the parlors of the Presbyterian church Monday evening and next Monday it is expected that many more will be present.
At the business session the old officers were re-elected as follows: President and musical director, H. G. Kinney; vice president, T. P. Cramer; secretary, Geo. P. Cramer; treasurer, J. E. Peterson; accompanist, Miss Belle Robinson; assistant accompanist, Mrs. J. N. Denison.
It was decided to give the cantata of "David, the Shepherd Boy," in full concert the first week in December. This will be the musical event of the season, and we can assure our readers that it will be something worth seeing and hearing.
It is hoped that all who can sing will join the Choral Union as it will be of profit to the singers themselves as well as the society. The musical convention, comprising Choral Unions of Ashland, Medford, Jacksonville and Grants Pass will meet in this place in March and the music loving people expect this to be the most successful convention yet held in the Rogue River valley. Your joining the Grants Pass Union will help toward this end.
The yearly membership dues for ladies is 50 cents and for gentlemen \$1.

A \$2,500 Verdict.
After a hard fought legal battle between A. C. Hough, administrator of the estate of Enoch Moon, deceased, and the Grants Pass New Water, Light & Power Co., a verdict was brought in by the jury on Saturday of \$2,500 for the plaintiff.
The facts of the case are familiar with most of our readers. On October 2, last year, Enoch Moon was repairing electric light wires on Fifth street in the rear of the old Palace hotel site, when the electric current was turned on at the power house, Moon receiving the full force of the shock, killing him from the pole on which he was working.
The evidence was brought to show that the company, through its manager G. I. Brown was negligent in not using a more safe method of communication to the power house. It will be remembered that Mr. Brown sent a man down to notify the engineer not to turn on the power but the messenger was obliged to make a purchase on the way and arrived at the power house after the current had been turned on.
The company was represented by its attorney R. E. Moody, of Portland, and A. S. Hammond, of Medford. Plaintiff A. C. Hough, was assisted by H. D. Norton.
The court granted 60 days in which to file a motion for a new trial.

In Memoriam.
KERRY, Or., Sept. 20, 1900.
WHEREAS, Our friend and beloved brother, Albert Kaffer, has passed the dark river separating time from eternity, to join the innumerable host gone before.
AND WHEREAS, Our brother has been a member of our lodge but a very short time, since May 26, 1900, nevertheless he was an esteemed member and held by his brethren as one worthy of their confidence and respect. And while the sudden and untimely taking of our dear brother again reminds us of the uncertainty of life; and that we may soon be called upon to surrender to the grim tyrant—death. May it admonish and remind us, that we who are left behind, should so order our conduct and lives, not only toward our brethren in Odd Fellowship, but in our intercourse with the world at large, so that when our time comes, we may be able to submit to the inevitable.
RESOLVED, That while we sympathize with the family of our deceased brother in their bereavement, we recognize the certainty of death, and that, while our brother's work in the inculcation of the principles of F. L. & T. finished on earth, we are reminded by his death; that it is our duty while living, to carry out our cardinal units, to visit the sick, relieve the distressed, and bury the dead.
RESOLVED, That as a token of respect for our late brother, our charter and hall be draped in mourning, and that the brethren of the lodge wear the usual badge of mourning for the period of thirty days.
RESOLVED, That Kerbyville Lodge No. 55, tender its sincere thanks to Golden Rule Lodge No. 78, for their kind care and treatment of our brother, during his illness and interment.
RESOLVED, That a copy of these resolutions be spread on the minutes of this Lodge, a copy of same be presented to the relatives of our deceased brother and that a copy of same be forwarded to the COURIER for publication.

School Notes.
I am in receipt of a report from Miss Lillian Pence, who began teaching in district No. 26, on Monday Sept. 24 th. Mrs. Ulyssa Woodbury took the examination for a temporary certificate Friday, and is going to teach in district No. 12.
Local institutes will be held throughout the county this fall and winter. The first one will be held at Merlin on Nov. 3rd. The program for it will be out sometime in October.
Prof. Bish of the Woodville school, was a visitor at my office Saturday. Mr. Bish is a graduate of the Southern Oregon State Normal School, and one of Jackson county's successful teachers.
Mr. Egbert Robbison called at my office to record his diploma Friday. Mr. Robbison is a graduate of the Southern Oregon State Normal School, and he is going to teach in district No. 5 at Waldville.
Upon looking over the names on the list of teachers for Josephine County, I find a few teachers who have not recorded their certificates. Teachers have your certificates placed on record. It will cost you nothing and it may save many inconveniences.
School in district No. 7, Grants Pass, under the management of Prof. Holmes is progressing nicely. The classification is quite well established and the teachers in the different rooms manage their class and recitation work well. The graduation of the school throughout the different rooms is not as uniform as it should be. This is caused principally by the breaking up of the school last spring by "small pox," thus leaving the grades in an unfinished condition. The grading of such a school to conform with our State course of study is no small thing to do, and cannot be done all at once, but must be worked up gradually. The order of the school throughout is good and the system of marching in and out is excellent. Five hundred pupils march in and out of these buildings four times every day. Prof. Holmes and his corps of teachers deserve commendation for discipline and the general condition of the school. LEXCOLN SAVAGE, County Supt.

Firemen's Hunt.
On Thursday, the 11th, the firemen will have a big hunt under the leadership of Captains Fred Jassin and Dan Johnson. It behooves the residents of this county to chain up their Belgian hares and post trespass notices in the vicinity of their poultry houses on that date for the firemen will be out in full force and all animals will look alike to them. On the following day, Friday, the boys will give a game supper, at which time the tables will be loaded down with all kinds of wild fowl, fish and animal. The supper will be followed by a grand ball.
The proceeds of the supper and ball will go toward replenishing their treasury in order that they may have funds with which to carry on their work. On the faithfulness, efficiency and equipment of this organization depends the safety of the town in time of conflagration and it stands the citizens in hand to do all in their power to bring this organization to the highest possible standard of efficiency.
