in a thousand annoyances in office.

However, in love, as in war, it is the

Dewhurst. retty annoyances devel-

oped rapidly into daily insults, until

the morning, as we have seen, he had

found an excuse to cut his former school fellow adrift.

Joe Redbolt picked up the pile of coins, counted them deliberately and

put them in his pocket.
"Now, Fred Dewhurst," he said

huskily, "we are no longer master and man, so that I can say what I think."

Dewhurst looked rather alarmed and drew a small silver bell nearer to

"Oh, don't be frightened!" said Joe,

with a smile of astonishment. "I'm not going to thrash you! It wouldn't

Mr. Dewhurst tried to sneer, but

"I want to tell you what I think of

"Go on!" said Dewhurst, with

grin. "Seeing that you've had the worst of it all through. I suppose I musn't mind a few spiteful words!"

"I want to tell you you're the mea

est cad I've met, and if that poor girl narries you I'm sorry for her!

"In fact, you're so sorry," said Dew-hurst, "that you'd even marry her

yourself! Capital! Anu, now you've said enough, I'll wish you good-

With a mighty effort of self-restraint Joe pulled him eif together,

and, resisting the impulse to knock him down, swung out of the room.

He had lost everything—the girl he

loved and the means of earning his living. He was alone in the world,

with no prospect but that of com-mencing life again in some counting

membered. Only two nights before

e had attended drill at the headquar-

ters of his volunteer corps. The men had been asked which of them wished

to join the C. I. V. for the front. He

thought of the glow that had burnt

need of help from men such as he. He was as sound as a bell in wind and limb; he had done his turn at

too, stood the long suffering band, and

every minute groups of breathless, excited men in khaki, who had also

fought their way through the crowd, rushed onto the platform.

Of course it was all over. There

was nothing to be done but get into the train and say good-by to old Lon-

don for months perhaps forever. Once more a gloomy sense of loneliness came upon him. Everybody else

off. And then-an angel came from

heaven? Not quite! But an earth-

ly angel appeared, in the shape of a

slight form in a long black cloak, who was pushing her way feveriahly

through the crowd, eagerly scan-ning the faces of the "gentlemen in

Then their eyes met, and in a min-

ute he was clasping in his arms the

girl who had refused him a month be-

fore and in whose presence he had

always been so shy that he had never

dared to press her hand.

How had it happened? There seemed

no need and certainly no time for explanations. Why had be accepted her foolish "No" when she never meant him to? She always thought

he would speak to her again. Why

had he been so awkward and brusque in the way he had asked her? He

had given her no chance to say "Yes." And it was only last night she had

learned what had happened from Dewhurst's own lips and she had cried all night at the mischief she had

done, and would be forgive her? And did he care for her a little bit?

"Take your seats, there," roared an
