Catarth Cannot be Cured

With local applications, as they can-
not reach the seat of the disease,
Catarth is a blood or constitutional
disease, and in order to cure it you
must take internal remedies. Hall's
Catarth Cure is taken internally, and
acts directly on the blood and mucous
surfaces. Hall's Catarth Cure is not a
quack medicine. It was prescribed by
one of the best physicians in this
country for years, and is a regular
prescription. It is composed of the best
tonics known, combined with the best
blood purifiers, acting directly on the
mucous surfaces. The perfect combi-
nation of the two ingredients is what
produces such wonderful results in cur-
ing Catarth. Send for testimonials, free.

Choral Union Social.

The Grants Pass choral union closed
the most successful and enjoyable season
of its existence by a social meeting on
Monday evening at the Odd Fellows
hall. The members of the union and a
large number of friends attended and
the hall was well filled by the congrega-
tion of members and guests, probably
over 150 being present.

The musical program was opened by
two choruses, "The Miller" and "The
Tinker's Chorus," rendered in a lively
manner by the choral union. Miss
Maggie Meade favored the company with
a very beautiful soprano solo, after
which Misses Laura Parker and Etel
Palmer gave a piano duet in the most
artistic and pleasing manner. A vocal
duet by Mr. and Mrs. C. E. Suman was
one of the most pleasing numbers and
in response to an encore Mrs. Suman
gave a most enjoyable soprano solo.
Miss Bertha Barrie, C. J. Karth and R.
W. Clark rendered a trio, with piano,
violin and flute, after which E. C. Suman
gave a vocal solo, "The Begler," in
which his powerful voice showed to fine
advantage. The program was closed
with the grand chorus, "The Vikings,"
by the Choral Union. After the pro-
gram, refreshments of ice cream and
cake were served and proved a most
enjoyable feature of the evening's
pleasure.

Grain-O is made of pure grains, and
when properly prepared tastes like the
