Rogue River valley is full of Oil, Natural Gas, Artesian water and other valuable minerals.

Nature's storehouse is bulging ont with wealth and only needs the magic hand of man to unlock and reveal the hidden wealth stored up for the use of the Twentieth Cen-

Our arid lands will produce won ders if we once can procure Artesian water to supply abundance of water with which to irrigate. Oil aud Natural Gas are the greatest economical fuel of this

generation. Shall we let it be dormant here in Rogue River valley, while other sections of the country are using nature's storehouses?

where in the world, for natural Gas, Oil or Artesian water. Rogue River valley is truly the Italy of America. DR. CLIVE MAJOR. Here we have the finest climate, the best apples, the largest peaches and the prettiest girls.

Shall the people of Grants Pass forever continue to drink the slime and slush and sewage that pours office in Williams Block into Rogue river while we can have the best of Artesian mountain water by the very simple process of drilling a few hundred feet?

What a beautiful city Grants Pass would be if there were a stream Pastices in all State and Federal Courts 1 Serting \$1.50, 2 Sertings \$2.50 approximate cost calculated. of pure Artesian water flowing along each side of her streets.

It is the intention of The Oregon Natural Gas, Oil & Mining Co. to soon begin active operation of drilling a number of victorial H. C. PERKINS. ling a number of ve ls to the depth of 1000 feet to ascertain the presence of Natural Gas, Oil, Artesian water and other valuable minerals.

They are now bonding land in and around Grants Pass, Within the next six months they will be COSHOW & SHERIDAN, drilling on some of the property drilling on some of the property they have bonded for that purpose, They latend if it is possible, to supply the city with plenty of pure Artesian water before the coming

The Oregon Natural Gas, Oil & Mining Co requests all farmers and property holders to give them the privilege of drilling one or more wells on their property. They will give a percentage of the output of the wells to parties GRANTS PASS. granting the privilege.

In order to get the people of Grants Pass and Josephine county interested in Natural Gas, Oil, and Artesian water they will give all of them a chance to subscribe for a lew shares of the capital stock of Furniture and Piano he company on very liberal terms

Suppose you take a few shares of the capital stock of The Oregon Natural Gas, Oil & Mining Co. of the par value of \$1 per share. You pay to per cent, down, 40 per cent, when the machinery is set up and is ready to begin operation and the remaining 50 per cent. when they strike a flow of natural gas, oil or artesian water or have drilled to the depth of 1000 feet. If they strike oil, natural gas or artesian water you have the option of taking ten times as many shares asyou subscribe for. They will pay you back all the money received from you if they fail to drill a well as

agreed upon. You are invited to thoroughly investigate their proposition. You have nothing to lose but every have nothing to loss thing to gain. If you are a capyou are a farmer or property holder it will pay you to invest as it will enhance the value of your place a aundred fold more than you invest if they should find either oil, gas or water near your property. ou are a working man it will pay on to take shares as this will open ap a vast and a new work for you. The merchants and business men should invest in shares in order to start this enterprise. Professional men, in fact all classes of people should take a few shares in this vast and new enterprise and it will e a help to all in Grants Pass and osephine county. If you cannot take too shares you can take 50 or ten shares. Remember every dollar will be returned to you if the com pany fails to drill a well as agreed upon. The stocks are non-assess able and fully paid up as they are used. The by-laws of the company do not allow a debt to exceed a per cent of the capital.

Scott Griffin of Grants Pass, Oregon, is a stockholder, a director and the secretary of The Natural Gas, Oil & Mining Co, who will take leases on lands and subscripion for stocks and will give any information regarding the company The closer you investigate the more you will help the company by taking stock and leasing your prop erry for the purpose of orilling on or more wells thereupon as you have nothing to lose but all togain.
