There is some talk afloat of a third term for McKinley, but it is only talk and will amount to nothing. The limit of two terms for a man as president is too deeply grounded in tradition and precedent to be readily set aside. followed the precedent. The particular congressman, Grosvener, who is advocating a third term for McKinley, says that it was fear of defeat that impelled Washington to decline the third term. This idea has not been extensively advertised hitherto. There is no evidence that McKinley himself desires a third term, the advancement of the idea being confined to a lew of his admirers.

A civil government has been arranged for the Philippine islands. It differs little, save in name, from the military system and is under the supervision of the secretary of war.
