Lost in the Woods.

J. Wolke, our hardware merchant, who is spending a vacation at August Fetech's place had an interesting experience last week. He went out from camp about four o'clock in the evening for a little hunt, lost his bearings and wandered about in the woods and hills for about 24 hours. He saw a bear but was not eaten. He walked all night and next afternoon was found by a rescuing party coming toward camp on the right trail. Joe says he will take a compass with him next time he goes hunting.

Carnival at Portland.

The business men of Portland have subscribed \$15,000 to guarantee the expenses of a Carnival to be held in the Exposition building from Sept. 18 to Oct. 19.

A notable exhibit of all the industries of the Pacific Northwest will be made in the big Exposition building, and athletic exercises, a horse show and a military tournament will be held on Multnomah Field adjoining. Two fall military bands have been engaged, and there will be many fine features in the amusement line.

The Carnival is in charge of a committee comprising 28 representative business men, of which Gen. Owen Summers is president, I. N. Fieschner vice-president, A. B. Steinhach treasurer, and J. D. Mann secretary.

With such men at the head of the affair, the Carnival is sure to be well worth visiting.
