THURSDAY, OCTOBER 10, 1901.

Austrian Anarchists are receiving at tention from the authorities at Rome A leader of the Reds was arrested Sunday who is believed to have had designs upon the life of the sged Pope. The anarchist was armed with a razor.

Now that Oregon has won first pre mium on fruit at the Pan American exposition the labeling of Oregon fruit as California fruit should be strictly prohibited. We do not care to have Oregon products run down in this manner. -Eugene Register.

pect to vote at the next city election, on Monday, Dec. 2d, must register before the 1st day of November. This fact is not generally known, many supposing that the former registration was all that was necessary. Six months residence in the city and 60 days in ward are necessary. Naturalized citizens must present their naturalization papers at time of

An appeal to "Christian America" the missionary who was recently capthe fastnesses of the Balkan mountains. A ransom of \$112,000 is demanded and her friends are endeavoring to raise that amount to save her life. It is possible that Bulgarian officials may be connected with the crime in some way.

The refugees in Cape Colony camps number 53,000, and the weekly death rate averages 220, half of these being children. This slarming death rate is caused principally by measles. The Agricultural department of Orange Free State acting in conjunction with the military is inducing the people to take up agriculture by supplying seeds and implements. Many natives are taking advantage of this and plowing is progressing under the protection of the military garrisoning and block houses.

The cup is still with the Americans, the Columbia having defeated the the orchard does not possess, being Shamrock II. This cup has remained and in that these returns are much soon on the American side since 1851. The London Spectator of Aug. 30, 1851, has er realized.—Mail. the following to say of that race: "Off of one of our great naval ports the ship building of England has been challenged by an alien vessel and defeated totally. It is a remarkable incident and not satisfactory to the national pride. the Tribune. It is intended to bring We may find solace in the fact that it the proposition before the next Congress. was due to accident." Ever since that A part of the scheme embraces the idea time the English have attempted to of bestowing upon the different islands secure the trophy but without success This year success was due not so much most prominently identified with the to the boat as to the skillful handling acquisition and management of the isby the Americans. Four times, it is lands. For instance, the members of the reported, the Shamrock had the race American commission which negotiated won and four times those in charge the Paris treaty would thus be honored. seemed to throw away her golden as well as the na

City Council.

The regular meeting of the city council was held at the city hall Thursday evening, Oct. 3 with, all present except Mayor and Councilman Kuykendall chairman Williams in the chair.

Petition of J. L. Myers and others for lateral sower from main sewer on 5th st. at its intersection with line of alley in Bik. 23, thence westerly along the alley through Blocks 23, 24 and 25 to the East line of 2nd. street, presented. Referred to Committee on streets to view and

report,
Petition of G. H. Rinne and others for sidewalk on North side of G street day. from 4th, to 6th., was referred to same committee.

A communication from the Portland Board of Trade in regard to the formation of a State Board of Trade to be composed of delegates to be elected from the various Boards of Trade, Chambers of Commerce and other organizations throughout the State generally, and of the several cities and communities locally was received and read.

The committee on Fire, Water and Health reported that a new street light away for awhile, about three miles from had been ordered to be placed on C street, near Gilbert Creek, between 1st and 2d streets.

The Grants Pass Banking and Trust Co, was authorized to put a crossing on 6th street opposite the Bank, under direction of the street Superintendent.

The following bill were allowed: S. Norton, strinkling Sts., \$20 00 Miss Hale, cleaning room in City Hall, 1 00

construction of a granite sidewalk along the north side of D street from 2d street to 6th street, and taxing the costs thereof to the property adjoining." was introduced by Conneilman Rehkopf, read three times and passed, (under the emer-

gency clause).

An Ordinance "That no chickens ducks, geese or other poultry shall be al lowed to run at large on any street or alley, or on any private grounds within the city of Grants Pass, not under the immediate possession and control of the owner of such chickens, ducks, geese, or other poultry," was introduced and read

On motion of Councilman Hood, Councilman Williams was granted leave to construct a shed with iron roof back of his building on G street, ties free at Dr. Kremer's.

The Street Superintendent was au-thorized to purchase 12 tiers of wood for the City Hall.

Mr. Hood called attention to the nee of a culvert at the upper end of A street referred to Street Committee. Piano Recital.

An entertaining plano recital was given by the pupils of Miss Belle Robinso at the home of Mr. and Mrs. H. C. Kinney last Wednesday evening, at which the parents and a few friends of the performers were present. The following program was rendered:

Duet......Jos. Low Helen Clark and Miss Robinson is "Evening Bella".... b "Little Rope Dancers".

The Forest Stream' Augusta Parker. 'Polonaise Brilliante''....... Nina Paddock.

Thine Ever Thine''..... Mendelsohn Ethel Palmer, Chase of the Butterflies" Dennie Winnie Flanagan. "To a Water Lillie"....MacDowde

Ethel Palmer. After the above program was rendered, Mr. Suman sang a solo, accompanied on the piano by Mrs. Suman. It is always pleasure to hear Mr. Soman sing.

Miss Robinson also favored the con sany with a rendition of "Fantasia Impromptu" by Chopin. It is to be regretted that Miss Robinson does not play in public more often, as her playing is so universally enjoyed.

Jackson County Onlone.

\$1.15 per hundred ponds. The market district, T. B. Ford. price, however, ranges from one to one and a quarter cents per pound. There are many other extensive growers in that locality, among whom may be mentioned Irving Daley, whose crop is estimated at 100,000 pounds; Royal Brown, with 12,000 Lewis, 15,000; Jos. Moomaw, 8000; John Daley, 6000, and besides these there are several up Butte creek who will harvest from 3000 to 20,000 pounds. Then there is John Nelson, in Sams Valley, who has 8000 pounds. There probably with her school. We compliment the are many others whose names we are unable to learn. The onion industry is a close second to that of Newtown and Spitzen burg apples. It has features that
