R. S. Hale Hurt.

R. S. Hale, son of John Hale of this
place, was injured at Coles Station last
Saturday morning. Hale was brake-
man on train No. 225, leaving Ashland
Saturday morning. After the train
started from Coles he attempted to
board the caboose but he missed his
hold after grasping the rod, being
thrown violently to the ground, striking
the back of his head and small of the
back on the rails. His injuries re-
ndered him unconscious and he was
in that condition most of the day. He
was taken to Ashland on the afternoon
train and his injuries looked after, but
was sent to the hospital at Portland on
the same train.

Word has been received from Port-
land that Hale's injuries are not as
serious as at first believed and that he
will soon recover.

C. R. Bristow Severely Injured.
Our fellow townsman C. R. Bristow
while performing his duty was met
with a most shocking accident near
tunnel No. 8, last Friday morning. He
was engaged with Foreman Medley's
bridge crew and they were going to
their work as the morning was foggy
Bristow went ahead with a velocipede
to drag an extra north bound freight,
while his companions followed on a
hand car. The extra freight suddenly
appeared around a curve and Bristow
had just time to get the velocipede off
the track but in crossing the track he
was struck by the locomotive and his
left leg badly crushed between the knee
and axle and his right foot run over.

Dr. Bowersox of Glendale attended the
wounded man's injuries and he was
brought to Grants Pass on the morning
passenger, but was taken to the Good
Samaritan hospital, at Portland the
same evening, where his left leg
and right foot were amputated Sat-
urday. The accident was a terrible shock,
but hopes are entertained for his re-
covery. Bristow has lived here many
years having grown up with the town
and he has many friends who extend
sympathy.

Medal For Pacific Pine Needle Co.
Grants Pass comes to the front in the
Pan American medal distribution, the
Pacific Pine Needle Company receiving
a gold medal. Mr. and Mrs. D. A. Cord
feel a degree of satisfaction in the prom-
inence which the products of their enter-
prise are receiving throughout the coun-
try. Grants Pass as the headquarters of
the pine needle industry in America, has
received a great amount of free advertis-
ing.

Surprise Parties.

Mr. and Mrs. Henry Harth received a
surprise visit from a large number of
friends on Saturday evening, the
occasion being the 10th anniversary of
their wedding day. A very pleasant
time is reported.

Friends of Miss Ruth Dean to the
number of about 20 gathered at the
Dean home on H street Saturday eve-
ning to help Miss Ruth celebrate her
birthday. Games, music, conversation
and a general good time were features
of the evening.

A number of neighbors and friends of
Mrs. H. W. Kinney gathered at her home
Tuesday evening to spend the evening
and help her celebrate the anniversary
of her birth. The evening was pleas-
antly spent; the Kinney family with
violin and cornet adding greatly to the
enjoyment.

A number of the friends of Miss Agnes
George, the obliging clerk at Kessler's
racket store called at the store, a few
days ago and were greatly surprised
at the array of dress goods that were on
sale at that place. Miss George gave
them a greater surprise when she
announced the prices, which were much
lower than like goods bring elsewhere.

Palace hotel Sunday night by Mr. and
Mrs. Feldman, of Spokane, M. L.
Markie, of Chicago, and P. E. Baeker,

were bruised, and furniture damage.
It took Landlord Woods and an assistant
some time to quell the riot. The scrap-

Jacob Myers of Sams Valley met with
a very severe accident the first of the
week. "Grandpa" Myers, who is 87
years of age, saddled his favorite pony
and went out on the side of Table Rock

some distance the pony balked and com-
menced bucking, throwing the old man
on a pile of rocks. He received a frac-
ture of two ribs, a broken jaw bone and
a frightful gash in one cheek. At last
accounts he was doing as well as could
be expected and it is thought he will re-

Small Fire.

The "Grandpa Booth" house, occupied
by Dr. Smith and family, narrowly es-
caped destruction Monday night shortly
before 9 o'clock. In some unaccount-
able manner a fire originated in the room
occupied by the Smith brothers and a
box containing a rug and some clothing
caught fire; the flames leaping upward
burned the cord by which a picture was
hung on the wall; the picture falling to
the floor was the means of saving the
property, as it alarmed the family who
were down stairs. They supposed that
burglars were at work up stairs and the
doctor went out doors to cut off retreat
while Max went to the stair door. They
both noticed the glow as did some of the
neighbors who immediately gave the
alarm. Max Smith rushed up stairs
with water and extinguished the fire be-
fore help arrived, but in doing so he re-
ceived numerous small burns. The
damage to property amounted to about
\$75.00.

I always carry a bottle of Kemp's
Balm in my grip. I take cold easily

take hold of my customers—I take old

confidentially what I do when I take a

We Do All We Say

All of our Goods are bought for Cash. We give you the benefit of it. Some say they are
as cheap as the

Chicago Racket Store.

All we ask of you is to compare Goods and Prices. We have each and every piece of goods marked in
plain figures and that is just what we sell for. Our business is growing each day. Why? Because
we carry **Up-to-date, Good Quality of Goods** cheaper than any other house in Southern Oregon.

We are wide awake to the wants of the people and by having experience in city buying we know
how to buy. It is easy to say things; but to do things is where the **Chicago Racket Store** is
ahead of others. We say what we mean. Our new adventure in a Fine Line of

BAMBOO FURNITURE.

Our X-Mas Goods were all bought at a big discount, and on November 1st we will have 12 tables
displayed with them at bargains for you. We will give to each person that **Purchases 50 cents**
worth of goods from us, a guess on the number of beans in a jar. That guess gives you four chances
for four different Dolls, 36 inches tall, dressed. We will give them to the **four closest guesses.** Below
you will find **100 Bargains**, and each and all are savers to your pocket book. We have no rent to
pay. We are here to stay. We want your trade, and as fast as we get it we will try to keep it by fair
treatment to all. Some will tell you on paper that they can save you 10 to 20 per cent. We can; you
need not take our word. Compare our Goods and Prices and see who is right.
