Board of Trade.

Tuesday morning a meeting of business men was held in the city hall for the purpose of effecting a permanent commercial organization. The meeting was attended by about 25 of our representative business men.

R. L. Cox, who has been very active in working up the organization, called the meeting to order and was elected temporary chairman. He stated briefly the object of the meeting; to provide a permanent exhibit of our mineral agricultural and timber products, to indigently advertise our resources and to consider other measures conducive to the business interests of Grants Pass and Josephine county. By unanimous rising vote, the committee decided to effect a permanent organization. An outline of a constitution was then presented and was adopted in detail.

Several names were suggested: "Business Men's League," "Commercial Club of Grants Pass," "Josephine County Industrial Association," "Board of Trade of Grants Pass." The last name was adopted.

The following was stated as the object of the organization: "To encourage, stimulate and promote the mining, agricultural and other resources of Josephine county." Any citizen who has the interests of the town and county at heart may become a member on contributing to the organization the sum of \$5 and the further sum of 50 cents per month. The constitution may be amended by a two-thirds vote of the members present at any meeting, notice of the proposed change having been published four weeks previously.

The following officers were elected: President, R. L. Cox; vice-president, H. C. Bohlsen; secretary, Dennis H. Stoval; treasurer, H. L. Gilkey; additional directors, who, with the four officers, constitute a board of seven, Dr. Moore, George Cramer, J. O. Booth. No two directors are to be chosen from the same firm, corporation or syndicate. The regular meeting of the organization will be held semi-annually.

School Meeting.

A special school meeting was held on Monday to vote a tax levy for the coming year. An estimate of the expenses was presented as follows:

Teachers' salaries \$6387 50
 Janitor 495 00
 Wood 320 00
 Clerk 100 00
 Incidentals 300 00
 Repairs 400 00
 Interest on bonds 750 00
 Int. on floating indebtedness 150 00

Total \$7832 50

The item of incidentals incidentals includes the rearing throughout of one room, while the steps throughout the building will occupy most of the repair work.

The state and county apportionment of the school fund amounts to \$150, and tuition fees will amount to about \$150.

A 13 mill tax was voted. The 11 mill tax of last year was insufficient to meet the expense and left a deficit to be made up during the coming year. The increase in the school census necessitated employing an additional teacher, making a total force of 13 at present.

Golden Standard.

K. K. Kubli was doing business in town Monday. Mr. Kubli says the tunnel put in by the parties who purchased the Golden Standard mine and then allowed it to revert to Kubli Bros. was pushed in 22 feet farther and a large body of ore uncovered which goes \$100 to the ton. This is a case of the purchaser quitting too soon—Medford Enquirer.

Vassili Verestchagin, the famous Russian painter of battle scenes, is now in this country. It is said that he is to paint a picture of the charge of San Juan Hill. Among his pictures now shown are several of great interest relating to the campaign in the Philippines. Mr. Charles DeKay, of the National Art Club and of the New York Times, writes in the February Magazine Number of the Outlook, a strong article about Verestchagin. It is illustrated by fine reproductions of the artist's superb pictures, "Before Moscow" and "The retreat from Moscow," by a remarkable portrait of the artist, and by other pictures.

January Turkeys.

Emmett Beeson reports that a turkey hen left his farm and took up her abode in the chapparel and a few days ago again came into the yard with a brood of seven little turkeys. Jasper Foyce, the 101-year-old man who lives with Mr. Beeson's family, declares that in looking over his long life he never before saw a turkey bring in a brood of little ones in the middle of winter. The unusually mild winter must have deceived the old hen and she got the idea in her noddle that it was spring time and the season was ready for business.—Valley Record.

Runaway.

T. B. Cornell's delivery team indulged in a runaway Tuesday. Jeff Hartman, the driver, was just preparing to unhook the team for dinner, in the alley back of the Sampson residence, when two school boys came hilariously down the alley and the team bolted. Jeff seized the lines, which were promptly jerked away from him. The team swung into Fifth street and at the corner of Fifth and E, the outfit struck a telephone pole with tremendous force. They were headed directly toward the pole, but at the very last instant one of the horses realized his mistake and jumped to the same side of the pole with his mate, badly abrading a knee in the operation. The wagon struck the pole squarely and was utterly demolished, and presented the appearance of having been in a dynamite explosion. The horses were captured in the immediate vicinity and, otherwise than the skinned knee were not injured.

Killed a Jap.

Alfred Henry Hart was sentenced at Roseburg Thursday by Judge R. P. Boise to one year in the penitentiary. Hart was convicted of manslaughter for the killing of a Japanese section hand at Wilbur, on the night of December 20, 1901. The light sentence is due to the recommendation of the jury asking for the extreme mercy of the court.

An Earnest Worker For The Farmers.

That extraordinary semi-monthly, Farm And Home, elsewhere advertised, is, perhaps, the most earnest worker for farmers of any of the agricultural press. It not only believes in and preaches organization and co-operation, but shows its readers how to do it. It is constantly on the alert to help them to make their business more profitable and put more money in their pockets, as well as to advance their social, moral, educational and political welfare. A fine Art Calendar for 1902, with weather forecasts for every day in the year, and five beautiful pictures, 9x12, each a gem of art, is included in each new subscription.

The Village Parson.

"The Village Parson" was played at the opera house Friday evening to a small audience. As a dramatic company, it was among the best that ever played in Grants Pass. They played under difficulties as the audience was small and at first cold and undemonstrative, but the loe was soon melted and the audience became quickly sympathetic and appreciative. It is a pity that a company of this one's ability and excellence could not have a larger audience in Grants Pass.
