The entertainment to be given at the opera house next Monday evening March 31st, for the benefit of the Woodmen of the World will be one of the best entertainments ever given in the history of the Grants Pass opera house. Merrill and will consist of farces, songs, music, sketches, cake walks, etc. Frankie Earle in her new and up-to-date illustrated Songs is something entirely new and novel as also is her Butterfly dance in which she uses 200 yards of China silk in her dress on which the electrical effect is most pleasing.
