## Personal

R. W. Clark went to Roseburg Wednesday evening on a business trip. H. M. White returned Sunday evening from a business trip to Wisconsin.

John Anderson and wife and Mrs. Sam Nasse of Greenback were in town Tuesday.

Prof. W. H. Hampton, of the Columbia mine placer, is in Grants Pass on business.

J. O. Booth made a visit to Ashland and other Jackson county points the first of this week.

Superintendent Fields and staff of the S. P. Ry Co. made their monthly tour of inspection over the line this week.

Mrs. R. W. Clark started for Berkeley, Cal., Wednesday morning. She will spend some time visiting Mr. Clark's mother.

Mr. Pitman and family, of this city, have moved to the sawmill on Evans creek. The mill will be started at an early date.

Geo. Floyd of Kerby is visiting in Grants Pass. Mr. Floyd's health has been poor during the past month due to stomach trouble.

Mr. and Mrs. W. O. Marks, who have been visiting relatives and friends in this city for several days, returned to their home in Ashland, Saturday.

E. V. Jones, of this city, who has been employed at the new Cole's mills made his family a visit Saturday and Sunday, returning to Cole's on Monday.

Miss Esther Sibley, instructor in vocal music at the Ashland Normal, and Miss Mary Durham, piano instructor in the same institution, came from Ashland Tuesday to attend the "Haymakers."

Miss Laura Parker on Tuesday returned from Glendale, where she has been giving piano instruction for the past several months. She will remain here and probably organize a music class.

Gertie and Ferd Coron and their younger sister were all stricken with the grip this week and have been confined to their rooms. They are all improving at this time, however, and will soon be about again.

Mr. and Mrs. L. A. Shadburne, of New York City, who have been visiting friends in Grants Pass for several days, departed on Monday evening's train for Portland. Mr. Shadburne is a representative of the Standard Oil Co. While here, Mrs. Shadburne took quite severely ill with the grip, but she completely recovered before leaving.

Mrs. John Barnhouse, of Medford, has been in Grants Pass for several days, being called here on account of the serious illness of her brother, Basil Kellogg, a youth 12 years of age, who has been suffering with appendicitis. The young man has passed the critical stage of the disease safely and is now on the high road to recovery.

G. O. McGilvery, of Marion county, arrived in Grants Pass Saturday with a number of Eastern people. Mr. McGilvery was acting as pilot for the party, most of whom were from Michigan and Wisconsin. They are looking over Josephine and Jackson counties and will locate somewhere in Southern Oregon.

C. L. McCallister and Dexter Wells, of Marion county were also with the party.

Mr. and Mrs. C. A. Riddle, formerly of this city, and who left here for Eugene where Mr. Riddle assumed the position of city editor of the Register of that place, have left Eugene and gone to Vancouver, Wash. Mr. Riddle has purchased the Register-Democrat of Thurston Daniels at Vancouver and will conduct the business of that paper in the future. The Register-Democrat is a seven column folio, weekly paper.

Mrs. M. F. Graham and her son, R. H. Graham arrived in Grants Pass Tuesday night and are stopping at the Josephine. R. H. Graham is a college mate of D. H. Stoval, of this city. Mr. Graham states that he and his mother will remain in Grants Pass during the summer and longer if this climate is beneficial to Mrs. Graham's health as it is this year they are seeking.

Mr. and Mrs. C. D. Drain, of Drain, are visiting in Grants Pass, the guests of Mr. and Mrs. J. D. Isham. Mrs. Drain and Mrs. Isham are sisters. Mr. Drain belongs to a long line of noted Southern Oregon pioneers, and is at present the leading citizen of Drain, Ore. He is well pleased with Grants Pass and after visiting all of Southern Oregon pronounced this city the most thrifty, business-like and promising of all.

A. H. Carson of this city, Horticultural Commissioner of the third or Southern Oregon district, reports that the prospects for a large fruit crop in this locality are very promising. All varieties of fruit are blooming from two to three weeks later this year than last, which is a favorable indication upon which to base a prophecy for a large crop. Last year's success has stimulated all classes of fruit growers to spray, prune and put their orchards in the best possible condition.

Miss Belle Robinson intends to bid adieu to Grants Pass on Friday next, going to Portland where she will make her home with her brother. Her departure is an occasion for the sincerest regret on the part of her many friends in this city. In musical circles her place will not be readily filled. As a pianist, her ability is far beyond that ordinary found in towns like Grants Pass. As a musical instructor, her work has always been most thorough and along the lines of solid improvement. A faithful worker in church and Sunday school, her absence from this field will be strongly felt. But the keenest regret is felt by her personal friends by whom she will be always remembered with the kindest feelings. We are fortunate to have had Miss Robinson with us as long as we have. She carries with her to her new field the sincerest good wishes of her friends for unbounded happiness and success.

### The Masonic Temple.

The work of excavating for the foundation of the Masonic Temple began last Friday and the first foundation stones will be laid in a few days. The building will be 55 feet in width and 100 feet long, occupying all of the corner on Sixth street opposite R. L. Coe & Co's establishment, as far down as E. L. Coron's plumbing store.

The awards for contracts have not been made as yet, but will be in a few days, after all bids submitted have been carefully considered. According to the plans and specifications the building must be completed by December 27, this year.

On the lower floor of the building will be two large store rooms. These will be divided by a stairway that will lead from the street to the second story. These rooms will have plate glass fronts and will be well equipped and handsomely furnished for mercantile rooms. It is understood that both of these rooms have been rented in advance and will be occupied immediately upon their completion.

The second floor will be taken up with office rooms. A spacious hall will lead down the center of the flat and the offices will be situated on each side. There will be 12 offices, the two front ones being double rooms. Each office will receive ample sunlight through two large windows. At the rear end of the second floor will be a long row of wood bins for the use and convenience of the several office occupants. No pains will be spared to make the rooms ideal offices in every respect, and modern and up-to-date in every particular.

The third floor will be reached by a stairway in the rear and here will be found the handsome, elaborate headquarters and the homelike apartments of the Masons. The entire upper floor will be devoted to the Masons. There will be the large and commodious lodge room, a banquet room adjoining and a kitchen. All of these will be furnished and equipped in detail. The kitchen will be fitted as handsomely as even any household could wish for. There will be an elaborate parlor or reception room, ante-rooms, preparatory rooms, property rooms, "gout" rooms, etc. The whole building will be well finished throughout and will be a most valuable addition to the business portion of our city.

A Free County High School.

A petition that has received the signatures of several hundred voters of the county, has been circulated, petitioning the county commissioners to set aside a special fund for a free county high school. There are some, who at first thought are inclined to be averse to such a proposition, feeling that it will mean a much greater tax burden. This is entirely a mistaken idea, as on the other hand it will be more liable to result in a lowering of our school tax in this city, at least. At the present time Grants Pass is obliged to stand the entire expense of the high school, and pupils from the outside must pay \$7.50 tuition per quarter, which is expensive considered individually but which, for the number in attendance is not enough to defray the expense of teaching them. The difference must be made up by the tax payers of Grants Pass alone.

The idea is to put the entire county on the same basis. This is according to the late school law and is a plan that is being carried out in many of the other counties of the state. A special fund of \$1500 annually would be sufficient to withstand the extra expense of a county high school. This would mean an extra tax levy of a half mill or less and would allow a full four-year course for all high school students. One extra teacher would need to be employed. We state that \$1500 would be required; this is merely an estimate made by the members of the school board, but they feel satisfied that this amount will be adequate for the purpose desired. The manner in which this will be arranged will be by a joint meeting of the school board and the county commissioners, by which they can make a correct estimation of the sum wanted.

It is to be hoped that the county commissioners and all tax payers of the county will see the good to be derived from a county high school. It will mean much for Josephine's educational advantages and with but little if any extra cost.

Prof. Young Will Remain.

At a recent meeting of the school board, Prof. F. E. Young was employed for another year's work in the Grants Pass schools. The professor has agreed to accept and remain here. This city is fortunate in securing the services of so able an instructor as Prof. Young. Under his direction the Grants Pass schools have made a rapid advancement, and much has been wrought for education here under his efficient management. We congratulate ourselves in getting Prof. Young for another year.
