STOMACH, LIVER, LUNGS, HEART. Each of the chief organs of the body is a link in the chain of life. A chain is no stronger than its weakest link, and the body no stronger than its weakest organ. If there is weakness of heart or lungs, liver or kidneys, there is a weak link in the chain of life which may snap at any moment. Often this so-called "weakness" is caused by lack of nutrition. Diseases of the stomach and other organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the diseased stomach is cured, diseases of other organs which seem remote from the stomach, but which have their origin in a diseased condition of the stomach and other organs of digestion and nutrition, are cured also.

NERVOUS SLEEPLESS. When a woman is nervous she is generally sleepless. If there is anything a nervous woman dreads it is the night which ought to be so welcome as the bringer of rest and refreshing. Her very dread increases her nervousness, and the fear of sleeplessness helps to make her sleepless. Sometimes a woman by the exercise of will-power tries to lie still and straight through the night. When her eyes are closed she seems conscious of some perilous presence in the room. When she lies with wide open eyes the gloom seems peopled with shadowy phantoms, that grow and melt away before her affrighted gaze. Then, perhaps, she springs from the bed and lights the gas, or a lamp, feeling that she must have the companionship of light. And ever, from time to time, she rises to see what hour it is, and wonders to find it is but fifteen minutes instead of an hour since she last looked at the clock. One of the remarkable features about such a condition is that so few women connect it with its common cause - womanly disease. They try all kinds of sedatives for their nerves. They take "sleeping powders" and headache powders and all sorts of drugs which at the best can only numb the nerves and stupefy the brain for a time. The real need of nervous, sleepless women is a cure of womanly diseases. Then with quiet nerves natural, refreshing sleep will come again. Nervous and sleepless women bear glad and grateful witness to the wonderful cures effected by the use of Dr. Pierce's Favorite Prescription. Even when the nervous condition had reached the most distressing stage, and all other medicines and means of cure had failed, Dr. Pierce's Favorite Prescription has effected a perfect and permanent cure. "It is with pleasure that I write to let you know the great benefit I have received from your medicines, and by following your advice regarding self-treatment at home," writes Mrs. Selma Erickson, of 496 Kice Street, St. Paul, Minn. "You kindly advised me to take Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery' and 'Pleasant Pellets.' When I first wrote you I had been three different doctors, and two of them said I would never get better without going to the hospital for an operation. I just sat down and cried, and said, 'If I die, I will die at home with my two dear little ones. I had a mishap in May last and was weak all summer. Was not able to do anything. If I would get up and walk to the kitchen and back I would have to lie in bed for a day or sometimes two days. Last August I picked up one of Dr. Pierce's pamphlets and read of his wonderful work. I wrote to him for information and received an answer within five days from the day I wrote, advising me to try his medicines. Now I have used six bottles of his 'Favorite Prescription' and six of the 'Golden Medical Discovery,' and the result is just wonderful. I did not tell the doctors what I was taking. I have not been to any physician since the day I received the first letter from Dr. Pierce, and I feel as good as ever. All before I had the mishap. I am so much better now that I have some one by my side all the time, even in day-time, and I could hardly eat anything. I took treatment from a doctor twice a week, and every time I would get a little better, but since I quit all the doctors and began taking your medicine I gained right along. I have gained forty pounds within the last four months. I weighed 125 when I began taking your medicines (in August), and now I am up to my usual weight - 165. I cannot thank you enough for your wonderful medicines, and I wish you every success in the treatment of other cases as you have had in mine. When I think what I suffered last summer it seems now like a dream, for to-day I am as well and feel as good as ever." "My wife was sick for over eight years," writes Albert H. Pulte, Esq., of Altamont, Grundy Co., Tenn. "She had uterine disease and was treated by two physicians and got no relief. At last I read in one of your Memorandum Books which you sent me, about Dr. Pierce's medicines and we decided to try his 'Favorite Prescription.' I sent to the drug store and got one bottle, and the first dose gave ease and sleep. She had not slept any for three nights. Being sure that it would cure her, I sent for five more bottles, and when she had taken the sixth bottle she was sound and well."
