Old age is not a question of years but a question of vitality. There are young people of seventy-five and old people of sixty. The difference between these young-old people and old-young peo-ple is a difference of vital force. Where does this vital force come from? How is it produced? How may it be preserved? The answer is that all physical vitality comes from food properly digested and assimilated. Food fills but does not feed unless the processes of digestion and assimilation are thoroughly performed. It is from the nutrition extracted from food that physical vitality is produced. It is quite possible to eat heartily and yet lack vitality because the nutrition in the food is not extracted. This happens when there is

vital strength may be preserved while the stomach and its associated organs are kept in a healthy condition. It is imperfect digestion and loss of nutrition caused by disease of the stomach and the other organs of digestion and nutrition, to

disease of the stomach and other organs of digestion and nutrition. Then the food is imperfectly digested and the nutritive values are largely lost. The consequence of this loss of nutrition in general is

physical weakness and in old age it is the forerunner of senile decay.

Strength then in youth or old age is only a question of sufficient food which is properly digested and assimilated. If vital strength is

produced from food under these conditions, it is evident that this

which in general loss of vitality may be attributed. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition in young or old. It enables the perfect digestion and assimilation of food, from which alone the body receives its strength and by which it preserves its vitality.

"When I wrote you for advice, I was feeling very miscrable with not simply one allment but a general debility," writes Mrs. Martha Jones, of Claremont, Surry Co., Va. "I purchased a bottle of 'Favorite Prescription' and also one of 'Golden Medical Discovery' and a bottle of 'Pellets.' I soon began to improve and continued taking them until I was feeling so well I discontinued. That was last spring, and I continued feeling as well as could be expected of an old lady seventy-three pents of age. I have so much faith in your medicine: I feel that the number of my days has been prolonged by taking it. I recommend Dr. Pierce's medicines every chance I get. I think there is no medicine equal to yours for old people. It makes their declining days easy and cheerful. I would say to the aged especially, take Dr. Pierce's medicines, they will help and cure also."

"I was a sufferer from throng days has been for five years," writes Mrs. Mary M. Aaron, of

"I was a sufferer from chronic diarrhea for five years," writes Mra. Mary M. Aaron, of Rolla, Phelps Co., Mo. "I tried different remedies which would give me relief for a short time only. My trouble would return as bad as ever. I consulted you in July, 1900, and by your advice commenced using Dr. Pierce's remedies. I took two bottles of the 'Golden Medical Discovery,' three vials of the 'Pellets,' and some of the 'Extract of Smart-Weed,' as you advised. I have not had any return of my trouble since using your medicines. An now seventy-one years old, and I never had anything to relieve me so quick. I think Dr. Pierce's medicines the greatest on earth. My thanks to you for your 'advice and thanks to Almighty God for restoring me to health through your hands."

One of the consequences of partly digested food is the clogging of the system and corruption of the blood by the accumulation of waste material. In such a condition some outbreak of impure blood is quite liable to take place, and the lack of vital force resulting from loss of nutrition makes disease a hard thing to fight under such conditions. Dr. Pierce's Golden Medical Discovery not only cures diseases of the stomach, but it purifies and enriches the blood, climi-

nating from it the poisons which produce disease. "Three years ago my inaband was taken sick," writes Mrs. C. S. Towle, of San Arlo, Monterey Co., California. "He had three carbuncles. Two on back of the neck and one was in region of kidneys. It was six inches in diameter and he had the best doctor we could get. He attended him two months and then said he could do no more for him; that he had so little vitality there was nothing to build on; that a change might do him good. The children insisted on his going away, but I said no, if he must die, he should die here in our own home, but if he could be raised from that bed of sickness I could do it with Dr. Pierce's medicines. We bought one bottle of 'Golden Medical Discovery' and a vial of Dr. Pierce's Pellets. My husband had not been able to sit up, even to have his bed made. When he had taken one bottle of the medicine he could sit up and go out of doors, and when seven had been taken he was in better health than for five years previously. He is now severyly years ald, and can do a good day's work."

now sevenly years old, and can do a good day's work." As a tonic for old people there is no medicine superior to "Golden Medical Discovery." It strengthens the stomach, purifies the blood, and so gives new life and new strength.
