DEATH OF N. P. DODGE
 Prominent Citizen of Grants Pass Dies on Monday.

N. P. Dodge, one of the best known and most universally esteemed citizens of Grants Pass, died at his home in this city on Monday forenoon. He had been in poor health for some years. For the past two weeks he had been confined to his bed and during that time little hope has been entertained for his recovery. Several years ago he experienced a stroke of paralysis and, while he made a partial recovery, and was afterward able to attend somewhat to his business interests, yet he never fully recovered. He has since been subject to attacks of heart trouble, some of them very serious, and those have occurred more frequently in the past few months.
 Nathan Prentiss Dodge was born in East Montpelier, Vt., February 8, 1839. In 1872 he removed to St. Johnsbury, Vt., and in 1882 to Northridge, Idaho. In 1887 he came to Grants Pass where he has since resided. He was postmaster in Grants Pass for six years and afterward entered the hardware business as a member of the firm of Jewell & Dodge. In later years, he has devoted his attention to the insurance business. He was an esteemed member of the Masonic fraternity and during his residence here has been one of the pillars of the Presbyterian Church in Grants Pass. His public and private life were without reproach, and his cheerful and pleasant disposition carried him uncomplainingly through all his afflictions. It is doubtful if another death has ever occurred here which produced so wide spread and general sorrow as that of Mr. Dodge. He leaves a wife, Mrs. Mary Dodge of our city.
 The funeral services were held on Wednesday afternoon at the Presbyterian church and the interment took place at the Odd Fellows cemetery. The services were conducted by Rev. Robt. Leslie. The business houses were closed from 2 to 4 o'clock p. m. and the funeral was attended by a large concourse of people.

GENTLE SPRING IS HERE
 The Welcome Queen Comes to Reign in Southern Oregon.

Spring has come. Although the frosty mornings yet produce a wintry sensation, yet the breath and touch of gentle Spring are evident everywhere, and her influence is ever more apparent as the days go by. The little wild flowers have made their appearance and will soon be blooming in beautiful profusion. The air has assumed a balmy, delicious quality, the gift of Spring, and all nature is beginning to respond to her soothing influence. The winter has been wet, cold and for Southern Oregon, severe, but the dreary monarch's reign has reached its limit and it is time for him to depart. We are now the subjects of a gentler sovereignty.

Boxer Social Postponed.

WILLIAMS BROS. FACTORY
 Second Largest Sash and Door Plant on the Coast.

Williams Bros. & Kendall's big factory building is being rapidly pushed to completion, a good force of carpenters being kept steadily at work. The factory, when completed will be the largest sash and door plant on the coast with one exception only. The building is 60 by 127 feet in dimensions, exclusive of the platform. The equipment will consist of over 30 machines, with a daily capacity of 300 doors and other work in like proportion. It was found necessary to enlarge the building greatly from the dimensions first intended and planned.
 The building is located on F street a short distance west of Gilbert creek. The owners have secured a large piece of ground north and east of the factory for use as a lumber yard. A dry kiln will be erected just north of the factory, while the boiler rooms, on which work has already commenced, will be located on the east side. One car load of machinery has already been received and another is expected soon. The work of building has been greatly delayed on account of the wet weather, but it is expected that the plant will be ready for operation soon after the first of the coming month.
 When this factory is completed and equipped its owners will be enabled to turn out an immense amount of work. This enterprise is a very important addition to the manufacturing industry of Grants Pass.

Tunnel Caves On Train
 Freight train No. 222 was caught in a cave in tunnel nine, between Delta and Sims, last Thursday morning. The accident was a peculiar one. The freight train was running through the tunnel when three of the cars jumped the track. The jar of the wreck against the walls, which had been loosened and softened by the recent rains, caused about 300 feet of the tunnel to collapse. Luckily none of the crew were on that portion of the train caught in the cave in so no one was hurt. The engine and about half the train were through the tunnel when the accident occurred.
 The task of clearing up the track through the tunnel was a big one and seriously blocked traffic on the road for several days.

 Stroble's shoe-repairing always pleases. Take your shoes to him.
 Be sure to attend the lecture given under the auspices of the High school Saturday evening, Woodman hall.
 L. A. Stroble has charge of the shoe making and repairing department at the Lucas harness shop. Take your work to him.
 History is one of the avenues to culture. Hear the lecture on "Javal and Martial" by Prof. McKinlay, Feb. 21, 8 p. m.
 You are interested in the School library, attend the lecture Saturday evening at Woodman hall. Adults 25 cents, children 15 cents.
 A reception for St. Luke's Guild was held on Friday afternoon from 2 until 9 o'clock p. m. at the residence of Mrs. M. Clemens.
 If you wish a lot to build that new home on, see Joseph Moss, the real estate agent, as he controls some of the most desirable building locations.
 Curtis & Co., practical watch makers and jewelers. Dealer in watches, clocks, jewelry and Diamond rings. All repairing first class. Odd Fellows' building.
 Javal and Martial wrote during one of the most interesting periods of Roman history. Attend the lecture on that subject at Woodman hall, Feb. 21.
 C. H. Sampson has just received as a present from his brother in Maine, a valuable amber pipe enclosed in a snake skin case. It is a handsome article in the pipe line and Mr. Sampson is proud of it.
 A social next Monday evening Feb. 23 at Woodman hall, by Azalia Corole, Women of Woodcraft. Public initiation of a candidate. Lots of fun. Finest. Good music in the banquet room. Don't miss it. 10 cents.
 A recital by members of Miss Laura Parker's piano class was given at her home on last Wednesday evening. The skill of the pupils and their evident rapid progress is commendable alike to them and to their teacher, Miss Parker.
 Every effort to find the body of Corah Bailey, the little girl drowned in the flood in Yreka Creek, Jan. 25th, has failed. It seems to be the belief that it is buried in the debris carried down during the heavy freshet and may be found when the water is down to the lowest stage.
 Ed Blinn, who formerly worked in Wm. Ulrich's meat market, but who has been in Grants Pass for several months, has come back to Medford and is now employed at Arnold Barnburg's market. Ed is a jolly good fellow and has many friends who are glad to see him back—Success.
 James Weeks, the man who was supposed to have been drowned in Rogue river during the late flood, met no such fate, having made a safe appearance at his home on Elk creek. The dead horse found in the river and supposed to have been his, evidently did not belong to him.
 The grand annual masquerade ball of the Knights of Pythias will be given at the Opera house on Thursday evening, February 19. All arrangements have been perfected for a joyous event and a large crowd and a general good time are expected. A committee will be on hand to whom tickets will be raised on entering the hall.
Enlarging Their Plant
 Stewart & Thomas the factory men are preparing to enlarge their sash and door factory plant and will also install a saw mill plant on a body of timber which they have acquired. J. L. Stewart, of the firm, returned on Thursday from a visit to Portland, whither he went to purchase machinery. The machinery will be shipped immediately.
Coming Events
 Feb. 19—K. of P. annual masquerade ball at Opera house.
 Feb. 20—"Jagara" at Opera house.
 Feb. 21—"Javal and Martial"—lecture by Prof. A. P. McKinlay of U. of O. at Woodman hall.
 Feb. 22—Washington's birthday.
 Mar. 2—Eli Perkins' at Opera house.
 March 6—District Christian Endeavor convention at Presbyterian church.

WALK OVER SHOES
\$3.50 @ \$4.00

Do not let anyone deceive you. None are WALK OVERS unless they are stamped WALK OVER on the sole and on the strap of the shoe. A good word for the WALK OVER. Some merchants are trying to sell other shoes claiming they are made by the same firm and fail to stamp them WALK OVERS. Do not be deceived. Quality tells. They have been tried and found not wanting in Style, Durability and Comfort. They are the embodiment of foot ease and protection for the feet. Be in mind the genuine WALK OVER is cheaper than imitations.

A BUGLARY AT CLEMENS'
 Thieves Break in and Steal Watches, Pills and Wines

The drug store of M. Clemens was burglarized on Tuesday night. The appearance is that it was an amateurish job and the loss was considerable. H. H. Barton, who has a jewelry shop in the same building, was the heaviest loser, the thieves having taken a number of watches, but his loss is not great, the thieves contenting themselves with the cheaper grade of watches and leaving the valuable watches, rings and other jewelry.
 The burglars made their entrance by removing a pane of glass from one of the rear windows. They pilfered indiscriminately and foolishly. They took two bottles of sherry wine, a carton of high priced pills, and a number of small articles, including a blue pencil. They secured about \$1.50 in money from Clemens' till and about \$2 from Barton's cash drawer. The selection of the articles and other features of the burglary indicate the probability of its having been done by boys.
Reading by Prof. McKinlay.
 A reading under the auspices of the High School will be given by Prof. A. P. McKinlay of University of Oregon, Feb. 21, at 8 o'clock in Woodman hall. Admission 25 cents, public school pupils, 15 cents. Subject "Javal and Martial."
 This reading will be anticipated with pleasure especially by the readers of history, as it will consist of a graphic presentation of the social conditions of Rome during the lives of these two writers, covering that period of Rome's greatest corruptions, the reign of Emperor Domitian. History is one of the surest avenues of culture and we haven't often an opportunity to hear it presented in so interesting a manner.
 Saturday afternoon at 2:30 Prof. McKinlay will address the High school pupils on "Caesar, the First War—Correspondent," in the High school assembly room. The one ticket will admit to both.

WILL HOLD A CARNIVAL
 Woodmen of the World Arranging Big Event for June

The Woodmen of the World are making arrangement for a grand street fair and carnival to be held in Grants Pass about the middle of June. The event will continue five days and besides the local attractions and contests, a company of 60 people, with menagerie, merry-go-round, and other entertaining features, will be here to augment the liveliness of the occasion. The idea seems to meet with ready favor among the business men. If the project receives support, the Woodmen will arrange a carnival that will put Fourth of July celebrations to shame. Each of the five days will be full of lively entertaining features that cannot fail to fill the town with people and every day will be a gala day in Grants Pass.
