TOO GREAT A RISK.
 In almost every neighborhood some one has died from an attack of cholera or cholera morbus, often before medicine could be procured or a physician summoned. Chamberlain's Colic, Cholera and Diarrhoea Remedy has undoubtedly saved the lives of more people and relieved more pain and suffering than any other medicine in use. For sale by all druggists.

A STARTLING TEST.
 To save a life Dr. T. G. Merritt, of No. Mehojapan, Pa., made a startling test resulting in a wonderful cure. He writes, "a patient was attacked with violent hemorrhages, caused by ulceration of the stomach. I had often found Electric Bitters excellent for acute stomach and liver troubles as I prescribed them. The patient gained from the first, and has had an attack in 14 months." Try them. Only 50c at W. F. Kramer's.

ROBBED THE GRAVE.
 A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in the back, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters. To my great surprise, I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50c a bottle, guaranteed, at W. F. Kramer's drug store.

Health is a magnet which irresistibly draws the man to the woman in life's mating time. He wishes to do more than talk with beauty; it puts music into the voice and buoyancy into the step, as well as happiness into the heart. A great many women first beauty and are constantly seeking aids to beautify them. Let a woman first seek perfect health and all other charms shall be added to her.
 There can be no general health for women while there is disease of the delicate womanly organism. The first step to perfect health is to cure womanly diseases by the use of Dr. Pierce's Favorite Prescription. It establishes regularity, dries weakening drains, heals inflammation and ulceration and cures female weakness.
 "I used four bottles of your 'Favorite Prescription' and one of Golden Mole Discovery," writes Mrs. Elmer L. Wheeler, of Mount Hope, Kentucky, Pa., and says: "I am cured of that dreaded disease, uterine trouble, in its latter stage, and can now do anything I wish to do. I feel as if I were a new woman. I feel everybody that Dr. Pierce's medicine cured me."

BRIGHT'S DISEASE.
 The largest sum ever paid for a prescription, changed hands in San Francisco, California, committed to a man involved in coin and stock \$12,500.00 and was paid by a party of business men for a specific for Bright's Disease and Diabetes, biliousness, incurable disease.
 They commenced their serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozen cases on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, 97 per cent of the test cases were either well or progressing favorably.
 There being but thirteen per cent failures, the parties were satisfied and closed the transaction. The proceedings of the investigating committee, in the clinical reports of the test cases were published and will be mailed free on application. Address J. J. F.
