## HIS LAST HOPE REALIZED.

In the first opening of Oklahoma to settlers in 1890, the editor of the Gebo, Montana Sentinel was among the many seekers after fortune who made the big race one fine day in April. During his traveling about and afterwards his camping upon his claim, he encountered much bad weather which, together with the severe heat, gave him a very severe diarrhoea which it seemed almost impossible to check, and along in June the case became so bad he expected to die. One day one of his neighbors brought him one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a last hope. A big dose was given him while he was rolling about on the ground in great agony, and in a few minutes the dose was repeated. The good effect of the medicine was soon noticed and within an hour the patient was taking his first sound sleep for a fortnight. That one little bottle worked a complete cure, and he cannot help but feel grateful. The season for bowel disorders being at hand suggests this item. For sale by all druggists.

**TAX ON BABIES.**  
 Extreme hot weather is a great tax upon the digestive power of babies; when puny and feeble they should be given a few doses of Chamberlain's Vermifuge, the children's tonic. It will stimulate and facilitate the digestion of their food, so that they soon become strong, healthy and active. See at Slover Drug Co.

**CONSTIPATED BOWELS.**  
 To have good health, the body should be kept in a laxative condition, and the bowels moved at least once a day, so that all the poisonous wastes are expelled daily. Mr. G. L. Edwards, 112 N. Main St., Wichita, Kansas, writes: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy for the past ten years, and found it a reliable remedy. See at Slover Drug Co."

**HOT WEATHER WEAKNESS.**  
 If you feel fagged out, listless and lacking in energy, you are perhaps suffering from debilitating effects of summer weather. These symptoms indicate that a tonic is needed that will create a healthy appetite, make digestion perfect, regulate the bowels and impart natural activity to the liver. This Herbine will do it; it is a tonic laxative and restorative. H. J. Freagar Propr. Grand View Hotel Cheney Kan., writes: "I have used Herbine for the last 12 years, and nothing on earth can beat it. It is recommended to me by Dr. Newton, Newton, Kan." See at Slover Drug Co.

**A SPLENDID REMEDY.**  
 Neuralgia, rheumatism, lumbago and sciatic pains yield to the penetrating influence of Ballard's Snow Liniment. It penetrates to the nerves and bone, and being absorbed in the blood, its healing properties are conveyed to every part of the body and effects some wonderful cures. Mr. D. F. Moore, Agent Illinois Central Railway, Milan, Tenn., states, "I have used Ballard's Snow Liniment for rheumatism, backache, etc., in my family. It is a splendid remedy. We could not do without it." See, 28c and \$1.00 at Slover Drug Co.

**THE FORD'S BLACK DRAUGHT THE ORIGINAL LIVER MEDICINE**

A sudden congestion, dizziness, biliousness and a coated tongue are common indications of liver and kidney troubles. Stomach and bowels troubled, severe if they are, give immediate warning by pain, but liver and kidney troubles, though less painful at the start, are much harder to cure. The Ford's Black Draught never fails to bring down the bowels and weaken the kidneys. It stops up the torpid liver to throw off the germs of fever and disease. It is a certain preventive of cholera and Bright's disease of the kidneys. With kidneys reinvigorated by The Ford's Black Draught thousands of persons have their health in the midst of a day of low fever. Many families live in perfect health and have no other doctor than The Ford's Black Draught. It is always on hand for use in an emergency and saves many expensive calls of a doctor.

Mullins, S. C., March 10, 1901. I have used The Ford's Black Draught for three years and have not had to go to a doctor since I have been taking it. It is the best medicine for liver and kidney troubles and dyspepsia I have ever used. J. T. Buttress, Register.

Why can't we come over to your house and play any more?  
 Because your gets so mad when we make a little bit of noise.  
 What makes him that way?  
 Mad makes it his dyspepsia makes him act so crazy.  
 That's about the way they all strike the mad way.  
 The dyspeptic has no idea of his own unreasonableness or harshness. Little things are magnified and seem to justify his quick anger.  
 There's health for the dyspeptic and happiness for the family by the use of Doctor Pierce's Golden Medical Discovery.  
 It cures diseases of the stomach and other organs of digestion and restores perfect health and strength, by enabling the perfect digestion and assimilation of food.

**BRIGHT'S DISEASE**  
 The largest sum ever paid for a prescription, changed hands in San Francisco, Aug. 20, 1901. The transfer involved in coin and stock \$112,500.00 and was paid by a party of business men for a specific for Bright's Disease and diabetes, hitherto incurable disease.

They commenced the serious investigation of the specific Nov. 15, 1900. They interviewed scores of the cured and tried it out on its merits by putting over three dozens on the treatment and watching them. They also got physicians to name chronic, incurable cases, and administered it with the physicians for judges. Up to Aug. 25, 87 per cent of the test cases were either well or progressing favorably.

There being but thirteen per cent of failures, the parties were satisfied and closed the transaction. The proceeds of the investigating committee and the clinical reports of the test cases were published and will be mailed free on application. Address J. T. Buttress, Registrar, 420 Montgomery St., San Francisco, Cal.
