#### VESUVIUS IN ERUPTION

#### Old Mountain Indulges in Spectacular Performance.

The people of Naples and the environs witnessed a remarkable speciacle at noon Wednesday. One thousand feet below the central cone of Vesuvius the volcano opened like a huge month, out of which belched a the United States, at the earnest fiery stream of lava, which ran down the side of the mountain and at first seemed to menace the observatory. This building however, is protected In the direction of the stream by a mound of lava 20 feet high, which was thrown out during the emptions ardent spirits and drink is not only of 1895 and 1990. The eruption occurred without any warning what ever. There was no earthquake, detonation or rain of ashes-nothing but a clear stream of lava and red-hot we hereby express our conviction tat should the people of the United height of 700 feet, producing an extremely beautiful effect seen from Naples. The stream of lava, which they would not only promote their is 15 feet broad, fat 11 o'clock had covered a distance of 2700 feet. 1t deviated later from the direction of the observatory, which is no longer

			meeting e held at	
			Shrader,	
11,	at	2:30 p.	m.	

Perhaps it may not generally b known that 13 former presidents of solicitation of Edward Cornelius Delean of New York, appended their names to the following "temperance declaration:" Being satisfied frem observation and experience, as well as from medical testimony, that needless, but lightful and that the entire disuse of it would tend to promote the bealth, the virtue and the happiness of the community, States, and especially the young men. discountenance entirely the use of it, personal benefit, but the good of our country and the world." The presidents so signing were: Andrew Jackson, James Madison, John Quincy Adams, Martin Van Buren, John Tyler, Millard Fillmore, Franklin Pierce, James Bachanan, Abraham Lincoln, Andrew Johnson.-Ex.

Indiana passes as a Christian state, but we have some peculiar features in our laws determining crime. Last summer we had three deaths caused directly by the licensed saloon. On was a murder committed in the back yard of the "Black Prince saloon. Another was the case of a man who was picked up dead, though nothing ould be learned to develop guilt under our law. The third case of the three, all within three weeks, was that of a man, who, having been misser up ingenious crushing devices for for some days, was fished out of a as known none of these makeshift An investigation raised a suspicion affairs were entitled to be called a that he had fallen into the pit when drunk, and that he was given the liquor a few minutes after II o'clock

The lawful time in Indiana for usking drunkarus is from 5 s. m. to 11 p. m. The widow brought sait per minute. With a higher pressure, for damages against the saloonkeeper equivalent to a higher head, the On the trial it was proven that the amount discharged and the distance to liquor was furnished a few minute which the water may be thrown, after II o'clock at night, and the widow was awarded damages in the For the purpose of experiment, the sum of \$1,750 on the ground that the managers of the De Beers Consolidated sale of the liquor was unlawful as to Mines of South Africa, filled a vessel time. The judgement was awarded with diamends of various sizes and not because the husband was made values representing the "run of drunk, not because] the woman was mine," and reached the conclusion deprived of her husband, but because the liquor was furnished a few minutes after the time the Indianna

A man of "good moral character pounds) is considered the average may purchase for \$100 the right legal ly to make drunbards in Indiana. The Supreme Court of the United provided be does it in the specified time prescribed by statute. The basis for a damage does not hange on the act of making drunk. but on the time of making drunk. Damages cannot be recovered against the saloonkeeper because the drunken man dies, or because he beats his wife or kills a child, provided he commits the act
