## GIBSON CASE ON TRIAL

Considerable Difficulty Experienced in Securing Jury.

The Gibson murder case was taken up by the circuit court on Thursday, and the week has been spent in the effort to secure a jury. The case is so well known, having been tried twice already in this court, that it was a most difficult matter to find 12 men who have not decided opinions of some sort concerning the case. Out of the regular panel, but one juror was secured, P. P. Payne. A special venire of 30 was then brought in, mainly citizens from the south end of the county. Out of this number, eight jurors were secured; A. V. Schmidt, Frank Carroll, D. H. Wimer, Clarence Sawyer, Frank Thompson, M. J. Parham, Joseph Seyforth, and C. W. McGee. In the next levy of 15 names, the proportion failed to obtain, and only one juror, T. W. Conway, was secured, making a total of 10. The court went to work on Wednesday afternoon to sift, if possible the remaining two jurors from another levy.

Geo. E. Payne and H. L. Reed were accepted, completing the jury. The attorneys made the opening statements Wednesday afternoon. Attorney Lark Blythe of Eugene and R. G. Smith are defending the prisoner, while District Attorney Reames is conducting the prosecution.

## RECEPTION WAS TENDERED

To Mr. and Mrs. James L. Gault on Monday.

On Monday evening a reception was given at the parlors of Bethany Presbyterian church, by the ladies of that organization, to Mr. and Mrs. J. L. Gault, who will soon depart for their new home in Portland, where Mrs. Gault will resume her musical studies.

The parlors were beautifully decorated with flowers, vines and autumn leaves, the latter especially being a surprisingly beautiful ornate feature. A large number of the friends of Mr. and Mrs. Gault were in attendance.

A very pleasant program was given. The opening number was a male quartet by Messrs. Cramer, Kinney, Cramer and Voorhies. Mrs. Gault followed with a solo beautifully rendered, the appreciation of which was quickened by the thought that it was among the last which the people of this city will be privileged to hear from this popular singer for some time to come.

Brief, but earnest and impressive addresses were given by R. L. Coe, Rev. W. G. Connell and H. C. Kinney. The closing number was a male quartet, a beautiful arrangement of "Swanee River."

After the concluding number of the program, on the suggestion of Rev. W. G. Connell, Mr. and Mrs. Gault replied to the addresses, expressing earnestly their appreciation of the cordial feeling toward them which was so manifest by their friends.

Refreshments of orange punch and wafers were served and the remainder of the evening was pleasantly spent in social converse. Mr. and Mrs. Gault received many expressions of regret at their departure and of good wishes for their happiness and prosperity, wherever they may be.

Mr. and Mrs. J. L. Gault have been residents of Grants Pass some what less than two years and in that time they have gained a large circle of very warm friends, by whom their departure is very keenly regretted.

In musical circles especially, Mrs. Gault's absence will be keenly felt, as she is one of the most capable and pleasing soprano soloists in Southern Oregon and is thoroughly popular wherever her voice has been heard. Mr. Gault will be kindly remembered in this city by all his acquaintances and his never failing courtesy in his business capacity while in the office of the S. P. D. & L. Co., has gained him the esteem of all who have come in contact with him.

YOU are going to buy your winter shoes. Which kind are you going to buy? A good shoe may cost a trifle more than the cheap, no account shoe, built to please the eye and catch the careless buyer, but is it economy to buy the inferior quality shoe? If you are going to buy a heavy, every-day, good to wear shoe, easy on our feet, and at near waterproof as leather is made, buy the United Workmen Oro Kip Shoes. These shoes are made plain toe or tip, with or without outside counter, medium or high cut.

A SHOE with a reputation is the Walk-Over. Think of it. 1,000,000 pairs of shoes were made by them in their own factories during the year ending November 25, 1901. You want comfort and economy, you want a shoe that will wear and keep its shape, slightly, and drossy, buy a Walk-Over Shoe.

YOU don't know what to buy for that boy. It was the same with us. We solved the question. Without any hesitation we can recommend the Good For Bad Boys Shoes, and assure you there is no shoe on the market that will give the wear and durability, comfort and ease Good For Bad Boys shoes will do. The old adage "The proof of the pudding is the eating thereof" will apply to Good For Bad Boys shoes and all we ask is try a pair with the assurance that these shoes will prove the best investment you have made for boys shoes.

Tablets and box paper at cost at the Courier office to close out. We have up-to-date styles.

For a short time only, Ireland & Meade are offering special bargains in lots.

## WOMAN'S CLUB RECEPTION

Attended By Nearly 200 Members and Lady Friends.

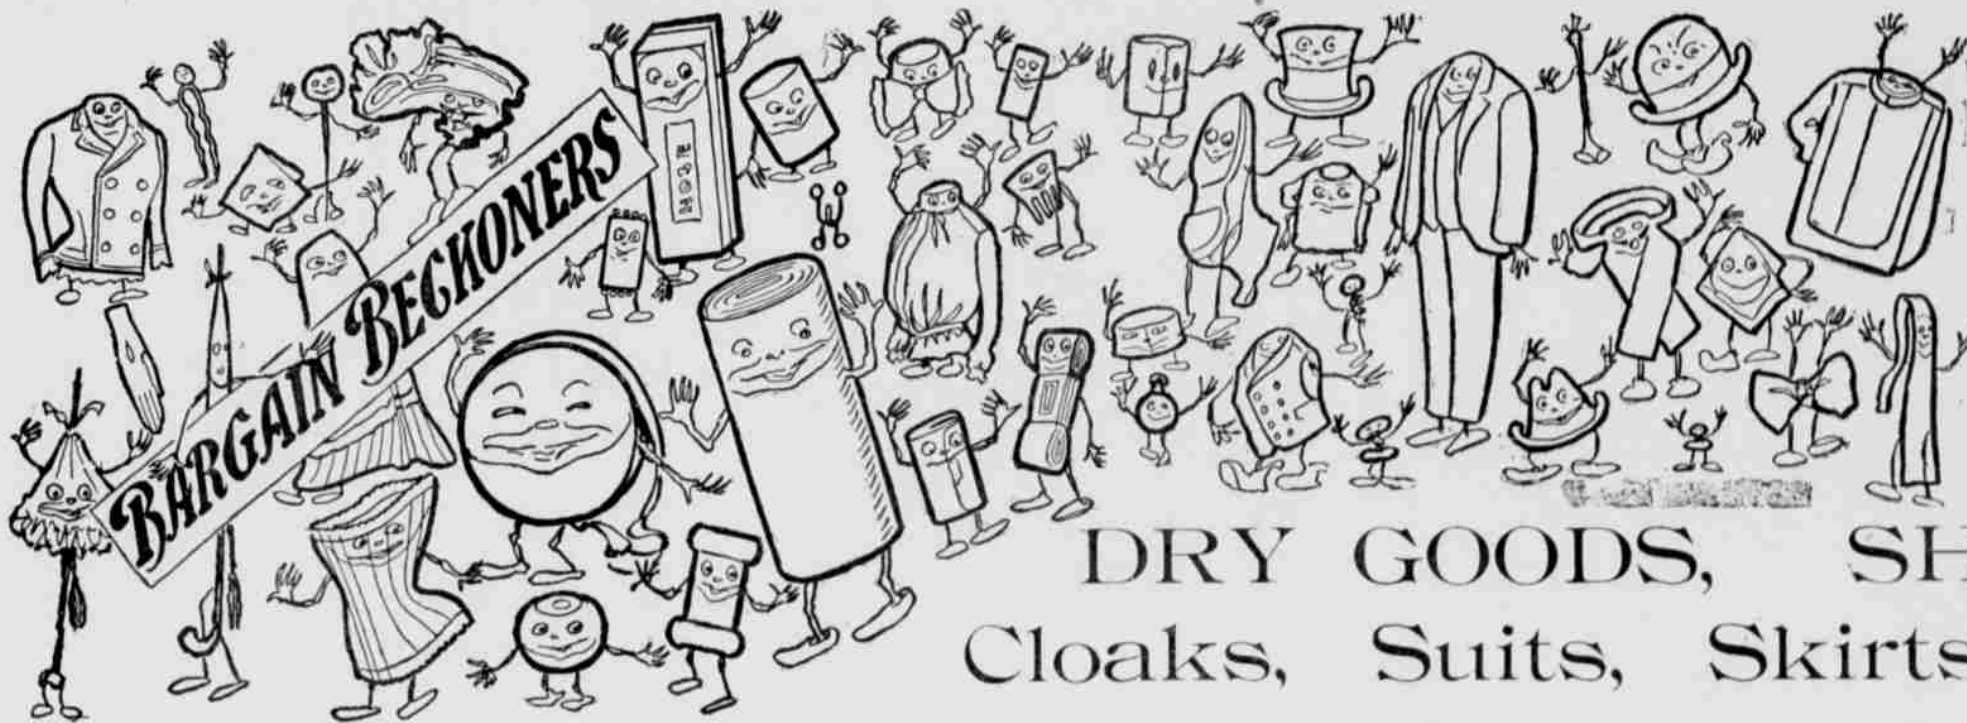

The executive board of the Woman's club gave a reception at Woodman hall on Friday to the members of the club and a number of friends.

Reports of delegates to the state federation of woman's clubs were received. The federation met at Astoria in June and the following delegates from the Grants Pass club were in attendance: Mrs. F. E. Young, president, Mrs. W. C. Hale, Mrs. O. S. Goodnow, Miss Astella Goodin.

Vocal solos were given by Misses Whitten and Parker and refreshments were served.

The Woman's club of this city is one of the leading organizations of its character in the state. Its president, Mrs. Young is the secretary of the state federation, while Miss Astella Goodin is a delegate to the National federation which meets at St. Louis. At the time of the convention in Astoria, the Grants Pass club had been organized five months and had then the largest membership in the state in proportion to the size of its town, with the largest number of departments.
