CHRISTMAS - GOODS

ROTERMUND'S

MASONIC TEMPLE BLOCK

While occupying our former store building we bought heavily of Toys and Fancy Goods, intending to maintain a permanent Toy Department. Since buying out Dr. Kremer's Drug Business we find that it will be impossible for us to carry out this purpose. We therefore offer at Bedrock Prices the Large Stock of Toys and Fancy Goods which we have just unpacked. These goods are the latest in design and afford the largest variety to select from ever offered in this city and will be sold at
