through the aperture, followed by a

Lorry and Anguish were at the opentheir stomachs and listening for sounds from within. The dim light was still raised his head and peered through, were no obstacles. Up those steps he saw three men creep, the leader carrying the dim light. The door was left open, doubtless to afford unimpeded exit from the building in case of emergency. Harry Angulah touched Lorry's arm.

"I took the two pistols from that Vienna man out there. We may need them. Here is one for yourself. Go first, Lorry," he whispered.

Lorry stuck the revolver in his cont pocket and gently slid through the win-dow to the floor below. His friend followed, and they paused to listen. Tak-

"A sound and you die!" he hissed. ing Anguish by the hand the other led the way straight to the spot where he remembered seeing the door.

Boldly the two men began the breath less ascent of the stone steps. The top was reached, and far ahead, down parrow hall, they saw the three men and the dim light moving. Two of them were uniforms of guards. Keeping close to the wall, their followers crept after them. Up another flight of steps they went and then through a spacious hall. The Americans had no time and no desire to inspect their surroundings. The wide doors at the far side of the room opened softly, and here the trio paused. Down a great marble ballway a dim red light shed Hs soft glow. It came from the at the foot of the broad staircase. It came from the lamp

The cook pointed to the steps and then gave his thumb a jerk toward the Without the least sign of fear Geddon and Ostrom glided into the hall and made for the staircase. The watchers could not but feel a thrill of them. The cook remained standing in the doorway watching his fellows in

There was no time to be lost. The pardsman was lying calmiy on his abductors were creeping up the steps already, and the cook must be disposed of. He had blown out the light which he carried and was now a dim shadow. Lorry glided foward amazed fellow, jamming a pistol into "A sound and you die!" he bissed

searching eyes.

"Chloroform him, Harry, and don't let him make a sound," whispered the owner of the hand. Anguish's twitching fingers succeeded those of his and the two trackers were headed for the entrance. The gate was ajar two was returned to his pocket, and the

little bottle came again into use. 'Til go ahead. Follow me as soon as you have finished this fellow. Be eareful and turn to the left when you

come to the top." Lorry was off across the marble floor, the noiseless grass close beside the headed for the stairway, and Anguish wall. Directly they heard sounds near was left in charge of the cook, of whom at hand. The abductors were binding he was to make short work. Now came the desperate, uncertain part of After waiting for some moments the transaction. Suppose he were to meet the two conspirators at the head darkness and followed. The body of of the stairs, or in the ball, or that the the guard was lying just outside the other traitor, Dannox, should appear chloroform was almost overpowering. Ing moment in the whole life of the

cans moved slowly and with greater When near the top of the steps, he caution. There was a dim light in a hugged the high balustrade and caubasement window shead. Toward the tiously peered shead. He found himfront of the castle and in the second self looking down a long hall, at the front of the castle and in the second self looking down a long hall, at the drives away a Cold in the story a faint glow came from another far end of which, to his right, a dim Restores the Senses of Task window. They guessed it to be from light was burning. There was no Easy to use. Contains no in the princess' room or from that of the sound and there was no sign of the Applied into the nestrib two men either to the right or to the Large Size, 50 cents at Dr. At last they saw four figures steal left. His heart felt like lead. They mail; Trial Size, 10 cents by past the dim basement light. One of them halted near the window and three room. How was he to find that room? crept away in the darkness. Presently Slowly he wriggled across the broad, one of them returned, and all activity dark hall, straightening up in the was at an end for the time being. How shadow of a great post. From this A runaway almost ending near it was to 2 o'clock the watchers point he edged along the wall for a disthey were within twenty-five feet of A sound came from farther down the For four years it defied all

Soon a bright little blaze of light or soon and blaze or soon a a third. All was still again. The soft ing himself against a door which shulle of a foot, the rustle of arbor moved as his body touched it. He felt vines, and the form of a man crawled it swing open slightly and drew back, up to the window. With inconceivable intending to return to the hall, uncerbeith and carefulness it glided tain and very much undecided as to the course to pursue. His revolver was in his hand. Just as he was about to pull aside the curtain a man glided past, ing a second or two later, lying flat on their stomachs and listening for sounds dence had kept him from running squarely into them. They were going there, the window was open and there was a sound of whispering. Lorry they were now approaching the princoss' room. How he came to be ahead raised his head and peered through, taking calculations while the light of them he could not imagine. Again senitation against said estate are notified under it possible. He saw an open door on the opposite side of the low room, with steps beyond leading upward. Between the window and the door there fore the next and most important step of before six months from the many operators. In those green impelled him softly to enter the room. impelled him softly to enter the room for an instant's breath.

Holding to the door, he stood inside and drew himself to his full height, taking a long and tremulous breath There was no light in the room, but through the door crack to his left came a dim, broad streak. He now knew where he was. 'This room was next to that in which the princess slept, for had he not seen the light from her window? Perhaps he was now in the room of the Countess Dagmar. door! Next door! Even now the daring Geddos and Ostrom were crawling toward the bed of the ruler of Grau stark, not twenty feet away. His first impulse was to cross and open the door leading to the next room, surmising that it would be unlocked, but he remembered Augulsh, who was doubtless, by this time, stealing up the stairs. They must not be separated, for it would require two steady, cool heads to deal with the villains. It was not one man's work. As he turned to leave the room he thought how wonderfully well they had succeeded in the delicate enterprise so far.

Medford, Oregon, on Saturday, day of February, 1984. He is His knees struck the door, and there was a dull thump, not loud in reality, but like the report of a gun to him. A sudden rustle in the darkness of the room, and then a sleepy voice, soft and quick, as of a woman awakening with a start: "Who is It?"

His heart censed beating, his body grew stiff and immovable. Again the a touch of alarm in it now: "Is that you, Dannox?"

She spoke in German, and the solce came from somewhere in front and to his right. He could not answer, could not move. The paralysis of indecision was upon him.

"How is it that the outer door is
