The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O. J. M. WARD LOCATED HERE

Representing Allen & Gilbert-Ramaker Co. of Portland, Ore.
Our Mr. Ward will maintain his residence in Grants Pass permanently from now on. That is if you will let him. A share of the piano and organ business of this and contiguous territory enable us to keep him here; and residents of this section will be benefited in having a competent and reliable salesman and tuner always on hand when wanted.
He is employed on a straight salary and is instructed by us to sell strictly at Portland prices—not a cent more. To treat everyone fairly and to build up a reputation for us and our goods. He will handle our Portland line of instruments. In pianos he will have the Kaabe, Everett, Steck, Hardman, Packard, Fischer, Ludwig, Vose & Sons, Conover, Cable, Hamilton, Wellington & Kingsbury. In organs he will sell the Packard, Estey and Chicago Cottage.
As large a sample line as necessary for a satisfactory choice will be found at the Grants Pass Music House in Odd Fellows Block, Allen & Gilbert-Ramaker Co., P. O. Box 194.
Chautauqua.
Grants Pass was well represented at Chautauqua. Many of our people remaining throughout the session, while others were there only a day or two. The entire number from here was something over 30.
The closing number of the Chautauqua season was the rendition of the oratorio "The Holy City" under the direction of Prof. I. M. Glen, who held the voices of his chorus, as it were, at the end of his lation, while the music held the audience entranced.
The high order of the music and the degree of excellence with which it was rendered, speaks well for the musical talent of Southern Oregon and of the ability of Prof. Glen as director. There were 16 voices in the chorus and 16 instruments in the orchestra.
The soloists were Mrs. Walter Reed, of Portland, contralto; Miss Eva L. Stinson, of Eugene, soprano; Chas. Trowbridge of San Jose, Cal., tenor; Prof. I. M. Glen, baritone; Earl Abbott, of Ashland, bass.
Shooting Stock.
Stock shooting in the Applegate country is going too far. Last year quite a number of head of cattle were shot and already this year several head of stock have been wantonly killed, the result probably, of spitework.
About a month ago J. W. York lost a valuable cow and later the carcass, minus the bell, was found in the woods. The bell had been taken off and carried away. Mr. York offers a reward of \$100 for the arrest and conviction of the guilty parties.
Keener Johnson's Body Found.
The body of Keener Johnson, who was drowned in Rogue river Sunday, July 17, was found Saturday night floating on the surface about two miles below where the young man was drowned. The river had been thoroughly dragged previously but no trace of the body could be found.
The funeral services were held Sunday afternoon and the interment was made in the Granite Hill cemetery. The deceased was a member of Court Josephine, Foresters of America.
One Lady's Recommendation Sold Fifty Boxes of Chamberlain's Stomach and Liver Tablets.
I have, I believe, sold 50 boxes of Chamberlain's Stomach and Liver Tablets on the recommendation of one lady here, who first bought a box of them about a year ago. She never tires of telling her neighbors and friends about the good qualities of these tablets.—P. M. Shore, druggist, Rochester, Ind. The pleasant purgative effect of these tablets makes them a favorite with ladies everywhere. For sale by all druggists.
Piano Tuning.
J. M. Ward, salesman and tuner for Allen & Gilbert-Ramaker Co. of Portland, Oregon, has settled in Grants Pass with his family and solicits orders from anyone desiring first class work. A special rate will be made to all who enroll their names on a list to be made up by September 1st, work to be done when desired by patron.
This is a good opportunity to keep a competent tuner in the community. There would be no delays or annoyances could one always be had when needed.—Address Grants Pass Music House.
Brutally Tortured.
A case came to light, that for persistent and unmerciful torture has perhaps never been equaled. Joe Golobick of Colusa, Cal., writes: "For 15 years I endured insufferable pain from rheumatism and nothing relieved me though I tried everything known. I came across Electric Bitters and it's the greatest medicine on earth for that trouble. A few bottles of it completely relieved and cured me." Only 50c. Bring Your Wife Along
Women are the best judges of dress, their own or the Men's. They know a good thing when they see it, and you may rely firmly on their good judgment.
Bring her with you, by all means, let her help you select your Summer clothes. She'll understand that "genuine goodness" of a Schloss-made Suit, better, perhaps, than you. However, you are sure of good treatment here, whether you bring her or not.
The difference in the cost of a Schloss-made Suit and that made by the "merchant tailor" will be enough to open her eyes to the possibilities for money saving. Just think, we sell a suit like either of those shown in the picture at so little a price as
\$12.50
The "merchant tailor" would want to charge \$25 for a suit not so good in fit, style or quality. Here is a clear saving of \$12.50, which your wife can find good use for in adding to her own wardrobe. No wonder she is bent on breaking you of the "merchant tailor" habit.
This label on Schloss made clothes is to protect the wearer. It stands for reputation, uniform excellence and up-to-dateness.
