Organized Tuesday Evening—Committees Appointed.

On Tuesday evening a meeting was held in the mining exhibits building for the purpose of organizing a local miners association. There was a good attendance and a lively interest was manifested.

The meeting was called to order by C. L. Mangum who stated its object. Mr. Mangum was chosen as chairman of the meeting and C. H. Poindexter as secretary.

On motion by Arthur Conklin a committee of three was appointed to draft rules and by-laws. The chairman named as the committee, Arthur Conklin, W. B. Sherman and C. C. Higgins.

D. H. Weyant, who is soliciting ore exhibits for the Lewis & Clark fair, was present and addressed the meeting. He urged that the ore displays be collected as fast as possible as it was important that Oregon should have a large exhibit, as it would be up against California, Colorado and other states that would doubtless have fine exhibits.

Other Oregon districts are enthusiastic and Josephine county was urged to make every effort to have one of the grandest displays in the state. W. J. Morphy, president of the American Gold Fields Co., commended the exhibit, but was of the opinion that the matter should be taken up earnestly and early if it was to be a success. He mentioned some of the needs of our district saying that we need more deep mining, more capital and better roads.

On motion by C. C. Higgins, a committee of three was appointed to interview the merchants and business men for the purpose of interesting them in the new organization. C. C. Higgins, Joseph Moss and J. B. Crawford were appointed.

Chairman C. L. Mangum regretted the absence of the Grants Pass merchants from the meeting. He stated that 10 per cent of the pay roll of the Granite Hill mine for one month would pay the expenses of the exhibit building for one year. Ten per cent of the Greenback's pay roll for a year and a half.

L. E. Chase made a few remarks in favor of the organization and said that all who benefit from the mining industry should be interested. Rev. J. W. McDougall was called upon and made a few remarks, urging the importance of a general interest in the purpose for which the organization was made.

Maya R. L. Gilkey and W. M. Hair spoke briefly on the importance of the exhibit. Mr. Hair enjoyed the distinction of being the only Grants Pass merchant present at the meeting.

W. B. Sherman, Arthur Conklin, A. E. Voorhies, J. M. Booth and J. S. Crawford were appointed as a committee of five to co-operate with the board of trade to help entertain the delegates to the Oregon Development League meeting.

The meeting was adjourned until October 3rd at which time the organization will be perfected. The principal object of this association is to maintain a permanent mineral exhibit in this city and the desire is to obtain a large enough membership so that the fees and dues will be sufficient to defray the expenses of maintaining the exhibit.
