Sniff of Autumn is in the air

An ounce of prevention, you know, is worth a pound of cure, and if you are a man of prudent judgment you will provide yourself with clothing of heavier weight and take no chance of catching a Fall cold trying to get a little longer wear out of your thin and seedy Summer Suit.

We are now displaying some particularly snappy Fall styles for Men selected from the best productions of Schloss Bros. & Co. the Fine Clothes Makers, whose celebrated ready-to-wear clothing has raised the standard in Men's Apparel.

You will find fit and grace in cut, quality in fabric and honest workmanship in the making. Add to these the fact that you have seen nothing like these clothes, and you have exclusiveness. Take these points altogether, and you have the foundation for the fame of superiority enjoyed by Schloss Hand Tailored Clothing.

The picture represents a popular Fall winner, and has to be seen to be appreciated. Look at these suits before they have been picked over.
