**WE CAN FILL THESE WANTS AND MAKE EVERY DOLLAR DO THE DUTY OF TWO**

We have laid in an immense stock. Our selections and goods are useful as well as ornamental, but in addition to our already low prices we have reduced figures on nearly everything. We have done this in order to reduce this stock as rapidly as possible. The surprised and pleased expressions of many of our patrons at the low prices lead us at times to think we have cut prices lower than we ought to, but no matter, we want to move the goods, it is for you to judge and reap the benefit.

Fine Clothes Makers  
BALTIMORE NEW YORK

They are markedly superior in style and workmanship to other makes of ready-to-wear apparel.

Don't be deceived by the clothing pictures you see in the magazine advertisements. Take these elaborate illustrations and compare them with the clothes they claim to represent and watch the effect upon your opinion.

"Fine pictures do not make fine clothes," is one of the Schloss slogans. This make of clothing stands on the genuine quality actually found in each garment.

The suit shown in the illustration but faintly represents the latest shape of Double Breasted Sack. We have it in the popular browns and fancy mixtures.
