Brief Notes and Items of Interes

A fine, large painting of the Golden Drift dam is decorating the walls of the mining exhibit rooms. The picture was painted by Mrs. H. L. Audrews and is a conspicuous addition to the decorative features of the building.

J. E. Kerley is giving his feed stable an overhauling and putting in more stalls and getting everything in shipshape for the big run of business that he is sure will come so soon as the roads become in shape for teams Pure Plymouth Rock Cockerels, to travel.

A correspondent from New Hope says that the grouse are hooting. This is another instance of the unusual forwardness of the spring for this bird does not lift his voice in base solo until be is convinced that winter is over. He is evidently unaware that the ground bog "seen bis shadder' on ground hog day. However, the recent frosty monings may cause the grouse to hush his song in doubt of its propriety.

Grants Pass being without a veterinary surgeon and there being a good opening here for one, J. M. Ellsworth from Astoria, has decided to locate in this city and will shortly open an office. Mr. Ellsworth comes well recommended as a veterinary surtate, call on Joseph Moss. The real geon and there being none in all estate agent. Home Talent Comedy Drama An entertainment which promises pleasing features far beyond the ordinary is the comedy-drama "Jerry, the Tramp," which will be given at the opera house by home people on Saurday evening, February 11, "Jerry, the Trang" is one of the greatest of home takent plays, exceedingly popular in the cast, but new as get in the west. The entertainment is given under the auspices of the Re-

beknus. The play abounds in both mirth and pathos, the character of "Jerry" being especially notable as a competter of both laughter and tears. Two amusing juvenile parts add brightness and liveliness to the play which is other wise full of interest and emotional quality.

The drama is in four acts and spec laities will be introduced in every interval, making the enjoyment contin none. These specialties are high class in every instance, several professional actors having been secured for these features. There will be at least two vocal solos and a specialty of exceptional interest is an Indian impersona tion. The "Six" prehestes will fur
