Barber Shop Changes.

Three of the five barber shops of Grants Pass have been having a change in the working force that leaves them as well supplied as before and one more man added to the list. J. H. Mullin sold the Palace barber shop and has gone into a barber shop at Montague, California. N. G. Bates and C. A. Williams were the purchasers and they announce that the Palace shall be one of the best barber shops in Southern Oregon. Mr. Bates has heretofore held a chair in the Hotel Josephine barber shop and Mr. Williams held a chair in I. S. Tompkins' shop in the Petrich block. Both are first-class barbers and should secure a profitable business for their shop.

At the Josephine the chair held by Mr. Bates is taken by I. E. Peterson of Portland, who with J. W. Rounds will hold that shop up to its past high standard or good work. Mr. Williams' place in Mr. Tompkins' shop is now held by Bart McCue, lately from Iowa. So well has the patronage of Mr. Tompkins' shop increased that he now runs the third chair, which is in charge of W. J. Evans, from St. Joe, Missouri.

Services at the Baptist Church.

In the evening at 7:30, the pastor will preach on "The Downfall of a Great Athlete." The ordinance of baptism will be administered at the beginning of the service. In the morning at 10:30 the topic will be "The New Testament Church as a Local Organization." This will be the first of a series of four on the general theme, "The New Testament Church." All interested are cordially invited. Any questions written out and put in the pastor's box will be kindly considered and promptly answered. The pastor of baptism and the Lord's Supper with other New Testament doctrines of the church will be taken up in this series.

Of Interest to Ladies.

I have just received from Chas. A. Stevens & Co., the great style store of Chicago, the SPRING and SUMMER fashion plates of the Custom Tailoring Department, showing the beautiful new styles in ladies tailor made suits, shirt waists suits and skirts, also samples of materials from which those garments are made. I shall be pleased to have you call and examine the styles at my home, No. 304, Second and E street, near South Methodist Church, Phone 104.

Must Destroy Cigar Boxes.

Cigar dealers are no longer to be permitted to use empty cigar boxes in their shops which to add to their display of boxes as an advertising scheme. This ruling of the government only applies to empty boxes bearing revenue stamps that have been canceled. Boxes that have never been used and have had no revenue stamps pasted on them may be used for display purposes. The government will not allow a cigar box that has had cigars in it and been stamped with a revenue stamp. The reason for this is that the revenue stamp is placed on the box and not on the cigars and if a box could be used a second time a dishonest dealer might try to open the box so as not to mutilate the revenue stamp and thus repeat its use and avoid the payment of revenue.

To further preclude the possibility of fraud, the government now will have all old boxes destroyed.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine, E. H. Wolfe, of Bear Grove, Iowa, cheated it all. He says: "Two years ago I had Kidney Trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." All druggists, guarantees them at 50c a bottle.
