W. C. T. U. Column

All matter for this column is supplied by the Grants Pass Woman's Christian Temperance Union.

The Woman's Christian Temperance Union entertained the teachers of the public schools and the Y. P. C. T. U. last Friday evening at the home of Mrs. J. C. Campbell.

After the program was rendered, refreshments of cake and sherbet were served and we returned to our homes feeling that the evening had been pleasantly and profitably spent.

A Temperance Advance. That the cause of temperance is making substantial progress on educational lines has recently been made evident in a very striking manner.

This is at once a signal triumph for temperance and a deserved recognition of America's leadership in this special branch of educational reform.

When last physicians said that W. M. Smithard of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for consumption, coughs and colds, kept him out of his grave.

Cheated Death. Kidney trouble often ends fatally, but by choosing the right medicine, E. H. Wolfe, of Bear Grove, Iowa, cheated death.

PAYS GRANTS PASS A VISIT

Wm. Bybee Calls on His Friends of Pioneer Days.

William Bybee of Jacksonville was in Grants Pass over Monday, coming down Sunday evening and returning Tuesday morning. While here Mr. Bybee met many of his old-time friends for he is a Rogue River pioneer of 1854.

For nearly 40 years Mr. Bybee bought nearly all the hogs raised in Rogue River Valley. He did not pack the meat, but drove the hogs to the various mining camps where he sold them to local butchers and to Chinamen.

Mr. Bybee was a driver in his boyhood and assisted his father, who was one of the biggest dealers of Kentucky, in driving bands of hogs, cattle and sheep to market in Virginia and South Carolina.

Men Past Sixty in Danger

More than half of mankind over 60 years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland.

Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease.

TEXT OF OREGON'S NEW FRUIT LAW

Owners Can Now Be Compelled to Eradicate All Kinds of Fruit Pests.

The following is the text of a new law passed at the recent session of the legislature of special interest to the fruit-growers:

Section 1. That upon a petition of not less than twenty-five residents and fruit growers of any county in this state, the county court of said county shall appoint a county inspector whose duty it shall be to inspect the apple and other fruit orchards of said county and to enforce the laws now in force and that may be hereafter in force in this state applicable to the fruit industry and to the growing and handling and selling of fruit trees and other nursery stock.

Section 2. It shall be the duty of the several members of the board and of the secretary or the county inspector under their direction, whenever they shall deem it necessary, to cause an inspection to be made of any orchard, nurseries, trees, plants, vegetables, vines, or any fruit packing house, storeroom, salesroom or any other place within their districts and if found infested with any pests, diseases or fungus growth, injurious to fruits, plants, trees, vegetables, or liable to spread to other places or localities, or of such nature as to be a public danger, they shall notify the owner or owners, or persons in charge of or in possession of such articles, things or places that the same are so infested, and shall require said insects to eradicate or destroy said insects or pests, or their eggs or larvae or to treat such contagious diseases, within a certain time to be specified in said notice.

Section 3. Such county inspector shall be paid for his services, by the said county, a sum not exceeding three dollars per day and pay his own personal expenses, for each and every day actually employed in the performance of his duties as herein provided, and the said county inspector shall report monthly to said district commissioner the time for which to pay during the month preceding and the said district commissioner shall certify the same to the county court before such compensation shall be paid to said county inspector.

Section 4. If any county for any reason fails to appoint a county inspector as herein provided, then the inspector of an adjacent county may perform such services and the necessary expenses incurred in the performance of his duty shall be charged up against the county where the service was performed as if he had been appointed by the county court of such county.

Section 5. The state district commissioner of horticulture shall hear and promptly decide all appeals from the county inspectors in his district and his decision shall have full force and effect until set aside by the courts of the state. All appeals from the county inspectors to the district commissioner shall be under the form and regulations as prescribed by the state board of horticulture.

Section 6. That section 4178 of the codes and statutes of Oregon as compiled and annotated by C. H. Bellinger and William W. Cotton be and the same is hereby amended to read as follows:

Section 4178. Said board shall employ without their number a secretary, who shall exercise the powers and discharge the duties conferred upon him by this act, and whose compensation shall not exceed \$100 per month to be paid in the same manner as other state officers. Said board shall from their own number also select a treasurer.
