SOUTHERN OREGON CHAUTAUQUA ASSEMBLY

The Assurance Given by Presi-
dent Billings That it is to Be
the Best Ever Held

The assurance is given by President
G. F. Billings, of the Southern Ore-
gon Chautauqua Association, that the
assembly for this year, which opens
at Ashland on Wednesday, July 12
and closes on Friday, July 21, will
be by far the best that has yet been
held by that Association. The taber-
nacle has been enlarged and improved
in appearance and has perfect accom-
modations, and it will now seat
nearly double the number of persons
than it formerly was able to accom-
modate. The grounds have been
beautified and the camping place on
Ashland creek, one of the coolest and
most delightful resorts in all South-
ern Oregon has been put in the best
shape for campers, and every con-
venience will be afforded those who
come to camp during the time of the
Chautauqua assembly.

The program promises some star
platform attractions, not the least of
whom is Dr. Frank Gunsaulus, the
great preacher, lecturer and writer
who is also president of the Armour
Institute at Chicago. He spoke at
this Assembly 11 years ago. He will
give two lectures this year, one being
his great lecture on Gladstone. Few
men command the lecture fees that
Dr. Gunsaulus receives.

Another big attraction is Dr. Wil-
liam Quayle, educator, preacher,
author and lecturer. A Chicago
critic says of him: "Take Quayle,
all in all, I think him the most
eloquent man I ever heard." He
has been contracted for two lectures.
Carter, the magician, will give
two entertainments. He is assisted
by his wife, and is said to be ex-
ceptionally clever as an artist, funny
as a humorist and accomplished as a
musician, while as a magician he is
said to be wonderful.

Rev. Anna Shaw, who has a wide
reputation, has been engaged for two
lectures, one of which will be a tem-
perance lecture.

Cadet Thos. W. Hammond, of Ash-
land, who graduates from West Point
this month will give an interesting
talk about the world's greatest mili-
tary school.

Several distinguished speakers of
this coast have been invited to fill
places on the program, and will
doubtless accept, but it has been the
practice of this assembly not to an-
nounce attractions until they have
been contracted for and so their names
are withheld for the present.

Prof. Irving M. Glenn, of the music
department of the State University,
will have charge of the adult choros
work again. Prof. Milton L. Law-
rence, of San Jose, will have charge
of the primary and intermediate
chorus classes again. A splendid
male quartet is promised as one of the
musical attractions of this year's as-
sembly, composed of Professor H. B.
Pasmote, Milton L. Lawrence, and
Hadley Lawrence and Mr. Trow-
bridge. They will all be here
throughout the assembly. Mrs.
Florence Wynan Gardner, one of the
best soprano singers of San Francisco
and Miss Grace Needham, a very fine
contralto of San Jose, will also assist
throughout the assembly with the
music. Prof. Hadley Lawrence
will have charge of the 1905 orches-
tra. He was instrumental director
at the last assembly here.

The following schools will be in
session: Elocution class, Physical
Culture class, Health school, Ameri-
can literature class, Cooking School,
Nature Study Class, Training School
for Teachers, Class in Vocal Music,
Class in Instrumental Music, Adult
Chorus Class, Intermediate Chorus
Class, Primary Chorus Class, Bible
Class, Ministerial Conference, Chau-
taqua Round Table.

In the work of the schools, Mrs.
Mary W. Park, of Salem, will have
charge of the Bible class. A cooking
school will be conducted by Miss
Margaret Snell, of the Oregon Agri-
cultural College.

Mrs. Harriett C. Sanderson of
Seattle will have charge of the classes
in elocution and physical culture.

A new departure will be the School
of Health in charge of Dr. Carolyn
Gosier of the International Health
Association of Battle Creek, Mich.

Prof. F. Berchfield of the O. A. C.
will have the department of Ameri-
can Literature again this year. Prof.
H. B. Pasmote will take a few pupils
in voice culture.

Other attractions will be added and
the assembly promises to be first-class
in every respect.

Just What Everyone Should Do.
Mr. J. T. Barber, of Irwinville,
Ga., always keeps a bottle of Cham-
berlain's Colic, Cholera and Diarrhoea
Remedy at hand ready for instant use.
Attacks of colic, cholera morbus and
diarrhoea come on so suddenly that
there is no time to hunt a doctor or
go to the store for medicine. Mr.
Barber says: "I have tried Cham-
berlain's Colic, Cholera and Diarrhoea
Remedy which is one of the best
medicines I ever saw. I keep a bottle
of it in my house as I have had
several attacks of colic and it has
proved to be the best medicine I ever
used." Sold by all druggists.

Spained Ankle, Stiff Neck, Lame Shoulder.
These are three common ailments
for which Chamberlain's Pain Balm
is especially valuable. If promptly
applied it will save you time, money
and suffering when troubled with any
one of these ailments. For sale by all
druggists.

day was largely attended and was an
enjoyable affair. There was also bat-
tling and church at 2:30 p. m.,
which was largely attended. The
meeting was conducted by Rev. E.
Badger.

The Powell Creek Lumber Com-
pany's mill is running steadily with
a cut of 15,000 feet per day. Their
lumber is first-class. They haul their
logs a distance of 1 1/2 miles and have
800,000 feet to cut by September
which will be delivered at Grants
Pass as fast as possible.

Thos. Lewman has rented his
father's farm and will stay at home
this season. Mr. Lewman is one of
the most prosperous young farmers of
the Applegate valley and will do all
in his power to make things show
up this fall. We need a few more of
his kind throughout this valley.

J. T. Layton and others of the Ap-
plegate Valley have bonded their
farms to the M. F. Dredging Com-
pany which will thoroughly prospect
the land. Applegate river has many
rich placer mines along its banks.
The gold is very light and flaky. It
runs from \$16 1/2 to \$17 per ounce.

A party of young men left Wednes-
day for Lakeview where they will
stay for four months. They will be
about four months. Wages are
\$2 per day. The party consisted of
George, Skirm and Charley Fields,
George Beck, John Harriett, Givend
Knox, Alex. Watts, Everett Lewman
and Fred Right.

The base ball game at Applegate

to 7 in favor of Applegate. Grants
Pass will have to play Provolt. Pro-
volt's last game with Applegate the
score stood 10 to 1 for Applegate.
Provolt and Murphy the score stood
5 to 11 for Provolt. Provolt vs.
Missouri Flat 5 to 7 for Provolt.

A word to the Courier: Mr.
Editor, I am glad to have the oppor-
tunity to correspond for your
paper. I have represented my dis-
trict in other papers, but have found
none so satisfactory as the Rogue
River Courier, and all throughout
this valley are anxious to see the
Provolt news come out in your
paper.

The Provolt school meeting was
called to order at 2 o'clock Monday,
with E. N. Provolt acting chairman.
There were two directors and a clerk.

elect. E. Spencer and E. W. Pro-
volt were the retiring directors and
B. W. Baldwin the outgoing clerk.
The new officers are Rev. E. Badger
and L. C. Hyde, directors, and Alex.
Watts, clerk.

The hay crop of this valley is large
this season, but the hope are just
medium. Gardens are fine and fruit
and berries are more than fine. The
yield of grapes is not so large this
year on account of cold weather.
Hay prices are as follows: In the
field, \$6.50; barn, \$7.50 to \$8; baled
\$9 to \$12; Grain hay \$9 to \$10 in
the field. There has been no con-
tracting made for hops to the present
time. Strawberries have sold for
\$1.25 to \$1.50 per crate.

Rev. G. Hoxie of Williams left
Monday for Trail Creek where he
will hold meetings the following

called and Sunday the Christian
church was vacant. The following
appointments I will announce again:

Sundays at 11 a. m. and 7 p. m.;
Rev. Stormer first Sunday at 3:30
o'clock; Rev. Hoxie third Sunday at
11 o'clock. Bible reading every Sun-
day at 10 o'clock. All invited to at-
tend.

W. C. T. U. Column

All matter for this column is supplied
by the Grants Pass Woman's Christian
Temperance Union.

There will be a meeting of the
Executive committee at Mrs. H. I.
Calvert's on June 23d at 3 p. m.

The next regular meeting of the
W. C. T. U. will be at Mrs. M. A.
Hood's on June 30th unless other-
wise announced.

The commodious home of Mrs. J. C.
Campbell was well filled on Friday
p. m. June 16th with W. C. T. U.
members and guests. This program
was in charge of Mrs. Mary Maybee,
Superintendent of the department of
Sabbath observance and was well re-
ceived. After the Oregon Sunday
Law was read Rev. D. T. Sommer-
ville addressed the meeting in regard
to the duty of Christians to take a de-
cided stand against Sunday news-
papers, Sunday travel for pleasure or
profit, etc. After some discussion a
rising vote of thanks was unanimously
given our good Brother Summerville.

Light refreshments were served and
social hour enjoyed. It being Mrs.
Maybee's last meeting with us,
Resolutions of regret at her departure
and a recommendation to any union
she may enter were read and adopted.
The time passed so quickly and
pleasantly that the hour of five
found us still there. The extra hour
however, I think was not regretted.

The Bible has a great deal to say to
and about young men. There are 65
places where the words "young men"
occur, and in these places lie the
cores of volumes of sermons and talks
and warnings and encouragements to
the sons of the world—whose stalwart
young shoulders are making ready to
bear the burden of the nations. Paul
told Titus to exhort the young men to
be "sober-minded" or discreet, and
John wrote to the young men who
had overcome "the wicked one." They
were worth writing to because they
were "strong" and the word of
God dwelt in them. The young
men count! And because they count,
the recent action of Yale's young men
in voting down Gambrinus will win
the applause, not only of the temper-
ance people, but of thousands who
have not yet themselves come out
publicly on the side of total abstinence.

The Yale senior class book reveals
the vote of the classes two to one for
water instead of beer. Champagne
and whiskey are said to have received
but a scant vote, and out of the whole
class only 175 admit drinking intoxi-
cants. Good for the young men!
But better things than this are in
store, and we are watching for the
high grade college that will, through
its whole membership, forever put the
ban upon the use of alcoholic bev-
erages.

STRANGE ADVICE!

Dr. G. G. Green gives alert personal attention
to his great humanitarian contract.

Have you given unusual advice to those afflicted
with coughs, colds, throat or lung
troubles or consumption. We have told
them if they did not receive any special
benefit after the use of one 75-cent size
bottle of German Syrup, to consult their
doctor. We did not ask them or urge
them to use a large number of bottles, as
is the case in the advertising of many
other remedies. Our confidence in Ger-
man Syrup makes it possible for us to
give such advice. We know by the ex-
perience of over 35 years that one 75-cent
bottle of German Syrup will speedily re-
lieve or cure the worst coughs, colds,
bronchial or lung troubles—and that,
even in bad cases of consumption, one
large bottle of German Syrup will work
wonders. New trial bottles, 25c; reg-
ular size, 75c. At all druggists.

The Man With the Hoe.

It was the man with a hoe says the
Corvallis Times. The sun shone
warm. With infinite patience and
considerable flow of perspiration he
was applying the hoe in an effort to
clear away the weeds and grass in the
street next the sidewalk. It all
looked good to passersby and they re-
marked that the example ought to be
followed. "What if everybody in
town would do the same thing?"
they remarked as they passed on. In
a little while by such means what a
transformation could be worked in the
appearance of things!

Asthma Sufferers Should Know This

Foley's Honey and Tar has cured
many cases of asthma that were con-
sidered hopeless. Mrs. Adolph Bue-
ling, 701 West Third St., Davenport,
Iowa, writes: "A severe cold con-
tracted 12 years ago was neglected
until it finally grew into asthma. The
best medical skill available could not
give me more than temporary re-
lief. Foley's Honey and Tar was
recommended and one 50 cent bottle
entirely cured me of asthma which
had been growing on me for 12 years,
and if I had taken it at the start I
would have been saved years of
suffering." For sale by H. A. Roter-

NOW IS THE TIME FOR HYOMEL

Easier to Cure Catarrh Now Than
Any Other Season.

Now is the time to use Hyomel,
when the early summer days make it
so easy to cure catarrhal troubles.
The Hyomel treatment, breathed for a
few minutes three or four times a day
in May or June, will do good twice
as quickly as it did in January,
and nearly everyone knows that used
faithfully then, it completely rids the
system of catarrh.

Hyomel is a purely vegetable
preparation whose active curative
properties are given off when it is
breathed by the aid of the pocket
inhaler that comes with every outfit.
It destroys all germs in the air
passages, purifies the blood by sup-
plying additional ozone, and its heal-
ing volatile, antiseptic fragrance
reaches every corner of the respiratory
tract as no medicine taken through
the stomach can possibly do.
This complete Hyomel outfit costs
but one dollar, and consists of a neat
inhaler that can be carried in the
pocket or vest-pocket and will last a
lifetime, a medicine dropper, and a
bottle of Hyomel. Extra bottles of
Hyomel can be procured, if desired
for 50 cents.

At this season of the year when
catarrhal troubles can be so quickly
and readily cured the merits of the
Hyomel treatment should be carefully
investigated by everyone and a com-
plete outfit should be in every home.
Rotermund gives his personal guaran-
tee with every outfit he sells. He
wants to refund the money if it does
not give satisfaction. There is no
risk whatever to the purchaser of
Hyomel.

**THE DORFORD'S
BLACKDRAUGHT
THE GREAT
FAMILY MEDICINE**

The Dorf's Black-Draught has
saved doctors' bills for more than
sixty years. For the common family
ailments, such as constipation,
indigestion, hard colds, bowel com-
plaints, chills and fever, bilious-
ness, headaches and other like
complaints no other medicine is
necessary. It invigorates and regu-
lates the liver, assists digestion,
stimulates action of the kidneys,
purifies the blood, and purges the
bowels of foul accumulations. It
cures liver complaint, indigestion,
sour stomach, dizziness, chills,
rheumatic pains, migraines, back-
ache, kidney troubles, constipation,
diarrhoea, biliousness, piles, hard
colds and headaches. Every drug-
gist has Dorf's Black-Draught in
25 cent packages and in man-
made size for \$1.00. Never accept a
substitute, insist on having the
original made by the Chautauqua
Medicine Company.

I believe Dorf's Black-Draught
is the best medicine on earth. It is
good for any and everything. I have
a family of twelve children, and for
four years I have kept them on foot
and healthy with no doctor but Black-
Draught. A. J. GREEN, Illinois, La.
