What a rush there will be; what sharp selling these prices will make! It is just as essential for a successful merchant to have a general "cleaning up" of all seasonable merchandise as the seasons go by as it is for a good housewife to have house cleaning. This method enables us to keep at all times fresh, new, crisp and saleable merchandise. Our policy not to carry over from year to year a collection of old and out of date goods has proven a success beyond the shadow of a doubt and this policy we've determined to pursue. The GOLDEN RULE has rounded up the best bunch of Bargains, the most reliable goods, and will deal the fairest treatment. A trial will convince you.
