If a few years ago someone had said you can cure catarrh by breathing air charged with a healing balsam the idea would have been ridiculed and it remained for that eminent investigator R. T. Booth to discover in Hyomei this method of cure. Hyomel has performed almost miracu. lons cures of cataerh and is today recognized by leading members of the medical profession as the only advertised remedy that can be relied upon to do just what it claims. The complete outfit of Hyomei costs \$1.00 and consists of an inhaler, a medicine dropper and a bottle of Hyomei.

Breathe Hyomei through the inhaler for a few minutes four times a day, and it will cure the worst case of catarrrh. It soothes and heals the mucous membrane of the air passages, prevents irritation and effects a complete and lasting cure.

In Gran's Pass there are scores of well known people who have been eured of catarrh by Hyomei. If it does not care you, Retermand will return the money you pay for Hyomei. This is the strongest evidence that can be offered as to his faith in the remedy.
