Persuade an obstinate case rather than lash it into action if you want to see good progress made. This is as tree when it is a basility mule.

Alcoholic atimulants and alcoholic medicines whip the digestive functions into quick action but do not prevent the weakening reaction which follows so closely.

In cases of impaired appetite and digestion—mal-nutrition and wasting away, a safe and reliable tonic is needed and is the only thing that can be relied upon.

Dr. Pierce discovered, forty years ago, that Nature had provided freely for these needs of her children and that in her laboratory were the remedies. Glyceric extracts of Golden Seal root, Queen's root, Stone root, Black Cherrybark, Bloodroot and Mandrake root, as prepared, combined and preserved without alcohol, in Dr. Pierce's Golden Medical Discovery, constitute the most effective and certain tonic, alterative and tissue rehuilding remedy ever offered to the public.

When I have it in the house I need no doctor or other medicine. Nine years ago I was troubled with rheumatism. Your 'Golden Medical Discovery climinated the uric acid from the system. Since that time I have never been without It in the house. There is no other medicine I think so much of, nor none I think is squal. Every one to whom I recommended it is pleased with the results, and all thank me for advising its use. It is a splending remedy for atomach trouble: cures colds in a few days, and is the only sure cure I know of for La Grippe:
