RAILROAD AND CITY END CONTROVERSY

Southern Pacific and City Council Adjust Sixth Street Crossing Difficulty.

Williams and Recorder Booth. C. H. Clements was made recorder pro tem.

referred to fire and water committee. O. W. Taylor, assistant superintendent of the Southern Pacific lines in Oregon, was present to effect, if posible, settlement of the difficulties between his company and Grants Pass relative to the blocking of Sixth street by trains, and in regard to lighting the Sixth street crossing in the Depot grounds. In regard to the street blockade Mr. Taylor stated it was a street and Grants Pass being a heavy shipping point made necessary a larger at the next meeting of the council. shipping point made necessary a large number of tracks in the freight yard and switching of many cars. The drayman's license alleged to be due handling freight cars in the yard the city. the trainmen would be required to the street the least possible. In repany to comply with that regulation. as it would be a danger to passengers

courtesy that had been shown him. He also expressed his appreciation of the fairness and liberal spirit that be the fairness and liberal spirit that be found manifested by the business Dr Douglas, medical services men of Grants Pass in his conversations with them during his stay in the city. He expressed the opinion that if all towns and the public would display the same spirit of justice and moderation as had been shown by Grants Pass that much of the friction with railroad companies could be avoided, and when it did occur it could readily be adjusted. Mr. Taylor stated that he felt certain that when his Company built a new and larger depot for Grants Pass, which the increasing business would require at no distant date, that it would be located well toward the cast part of the Company's grounds so as to avoid the company's grounds so as to avoid the company's grounds so A. R. Cornell. as to avoid the necessity of stopping trains across Sixth street. On behalf Harvey Moore, street work of the city Mayor Good expressed the Geo Cougle, street work appreciation of the council and of himself at the consideration shown bimself at the consideration shown bill of Geo Wooldridge appreciation of the council and of by the Southern Pacific in sending one of its highest officials to arrange a mutually satisfactory settl-ment of the controversy that had been of long years standing, and he thanked Mr. Taylor for his deep personal interest Council met Thursday with all and uniform courtesy he had displayedin the adjustment of the difficulties and Williams and Recorder Booth. C. H. that the citizens of Grants Pass would now be in a more forbearing spirit passed first and second reading and would endure the unavoidable obstruction to Sixth street until such time as the Southern Pacific could remove the depot to a location more advantageous to both the city and the company, Mr. Taylor was accompanied to the City Hall and introduced to the council by Hon. Geo. H. Durham, of Colvig & Durham, attorneys for the Southern Pacific for Josephine and Jackson counties.

City Attorney Hough called attenmore serious problem to solve than tion to the fact that the city tax levy was presented in any other town in for 1906 must be made prior to Janu-Oregon on the S. P. lines, in that ary 1st of that year and filed with the there was such a large traffic on Sixth county clerk. The finance committee
