W. C. T. U. Column

All matter for this column is supplied by the Grants Pass Woman's Christian Temperance Union.

"Purity in Literature and Art" was the subject for program meeting of the W. C. T. U. on the afternoon of February 9th. We met at the home of Mrs. Campbell on Sixth and A streets and a goodly number attended. Mrs. Berry, superintendent of that department had prepared an excellent program, and after a short business session took the chair. The opening number was a piano duet by the Misses Lelah Caldwell and Lula Land, Mrs. Clements, an elocutionist, gave a recitation, Rev. Mr. Travis of the Baptist church made an excellent address on the subject, and the program closed with a solo by Mrs. Walker. The numbers were all greatly enjoyed and a vote of thanks was extended to all the participants. After adjournment Mrs. Campbell treated us to home made candies which kindness was duly appreciated. Next Friday we meet for transaction of business at the home of Mrs. R. S. Weidman.

We are glad to know that the bill to admit Oklahoma and Indian Ty, has passed the house of representatives with an amendment providing for the continuance of prohibition in Indian Territory and the Indian reservation in Oklahoma for a period of 21 years. A great deal has been said about the desecration of the flag and well may we be concerned about the precious symbol of our liberty. It is enough to arouse indignation in every true American heart to know that it is used to advertise that which, wherever it is used as a beverage, brings nothing but degradation and misery. The colors of Uncle Sam's clothing when he is to represent a brand of whiskey are the colors that the heroes of the Revolution fought and died for. Let the American people say that the flag shall not be desecrated in that way or any other.

A Healing Gospel.

The Rev. J. C. Warren, pastor of Sharon Baptist Church, Belair, Ga., says of Electric Bitters: "It's a God-send to mankind. It cured me of lame back, stiff joints, and complete physical collapse. I was so weak it took me half an hour to walk a mile. Two bottles of Electric Bitters have made me so strong I have just walked three miles in 50 minutes and feel like walking three more. It's made a new man of me." Greatest remedy for weakness and all Stomach, Liver and Kidney complaints. Sold under guarantee at all drug stores. Price 50c.

Starting But True.
 People the world over were horrified on learning of the burning of a Chicago theater in which nearly 600 people lost their lives, yet more than five times this number or over 3000 people died from pneumonia in Chicago during the same year, with scarcely a passing notice. Everyone of these cases of pneumonia resulted from a cold and could have been prevented by the timely use of Chamberlain's Cough Remedy. A great many who had every reason to fear pneumonia have wanted it off by the prompt use of this remedy. The following is an instance of this sort: "Too much cannot be said in favor of Chamberlain's Cough Remedy, and especially for colds and influenza. I know that it cured my daughter, Laura, of a severe cold, and I believe saved her life when she was threatened with pneumonia." W. D. Wilcox, Logan, New York. Sold by all druggists.

WILLIAMS

(Too late for last week.)

Rev. Starmer and Mr. Wertz were in the city last week.

Born—To Mr. and Mrs. John Sparlin, February 7, 1906, a boy.

Mrs. J. T. Hartley shipped a load of dressed chickens last week.

The sawmill owned by Knox and Hackett will probably be moved soon.

Miss Katherine Chapman returned to her work in Jacksonville last Monday.

James Torrey and son George made a business trip to Grants Pass last Thursday.

Rev. J. C. Austin is holding revival services at the Baptist church. Some interest has been shown and the meetings will continue until Sunday evening.

Mr. and Mrs. Jeff Dixon and little daughter have moved up to the Watts mine, where Mr. Dixon is employed to work and Mrs. Dixon to cook for the men.

Davy John Jr., J. N. Gotcher Jr., and A. L. Blodgett all have cream separators and are finding them very satisfactory and several more are expecting to get them soon. It looks as if the people in this valley were beginning to appreciate the opportunities for dairying. Other things have been tried but the dairy farm promises to be more valuable than any other industry.

Frightfully Burned.

Chas. W. Moore, a machinist, of Ford City, Pa., had his hand frightfully burned in an electrical furnace. He applied Bucklen's Arnica Salve with the usual result: "A quick and perfect cure." Greatest healer on earth for burns, wounds, sores, eczema and piles. 25c at all druggists.

ROTERMUND'S TEST.

Sold Hyomei for Years and Know
 It Will Cure Catarrh.

Rtermund has given Hyomei a most thorough and remarkable test. For a long time he has offered to refund the money to any purchaser of Hyomei, if it failed to benefit.

The remedy has made so many cures among his customers that he has urged its use in the most chronic cases of catarrh.

Breathed for a few minutes four times a day, through the inhaler that comes with every outfit, it soothes the irritated mucous membrane of the nose, throat, and lungs, kills the catarrhal germs, and restores complete health. Its healing, antiseptic fragrance penetrates to the most remote air passages, as no medicine taken into the stomach can possibly do. Immediate relief almost always follows the use of Hyomei, and great benefit is seen after a few days' treatment.

The complete Hyomei outfit costs only \$1, and consists of an inhaler about the size of a pocket or purse, and will last a lifetime, a medicine dropper, and a bottle of Hyomei. If this is not sufficient for a complete cure, additional bottles of Hyomei can be obtained for 50 cents.

Compare this small expense with the fees charged by specialists, and remember, too, if Hyomei does not cure, Rtermund will return your money.

La Grippe and Pneumonia.

Pneumonia often follows la grippe but never follows the use of Foley's Honey and Tar. It cures la grippe coughs and prevents pneumonia and consumption. Ask for Foley's Honey and Tar and refuse any substitute offered. Mr. G. Vacher, of 157 Osgood St., Chicago, writes: "My wife had a severe case of la grippe three years ago, and it left her with a terrible cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely." Refuse substitutes. For Sale by H. A. Rtermund.

LELAND

Some of the Placer quartz miners made Leland a visit to lay in supplies.

From the outlook there will be a large amount of hay carried over as but little has been fed yet.

The Vulcan mine has resumed work. The prospect for that ledge is good but it has been idle for quite a while.

If the fine weather continues, people will begin to make gardens next week as the ground is sufficiently dry.

The light rain recently will help grass and grain. The sun is shining brightly. We can see the fog coming over the south Grave creek hills then it breaks away and that makes it clear in this district. The weather is tough on the miners as only a few miles that get water out of Grave creek can operate.

Wideawake.

Grain is looking fine in this locality, perhaps because of the coming of the farmers' institute.

Shorty and Mr. G. D. Walter were at Provelt Monday after hay, they getting hay for \$7 per ton. Quite a difference from last winter.

Mr. and Mrs. F. Champlin and daughter and Mrs. McCallister were the guests of Mr. and Mrs. H. S. Wynant Sunday and also Mr. and Mrs. Geo. Walter and the latter's brother-in-law, Howard Wynant.

The road supervisor, Mr. Gentner, has been having this road improved. Mr. Gentner is a thorough and competent road supervisor and if the county only had more officers like him it would be in a better financial condition today.

There was an article in the Courier about the duty of the county or state to pay a bounty on coyotes scalps. Now that is a much needed necessity for then these pests would be killed as the bounty would be an inducement to hunters. Shorty.

Afraid of Strong Medicines.

Many people suffer for years from rheumatic pains, and prefer to do so rather than take the strong medicines usually given for rheumatism, not knowing that quick relief from pain may be had simply by applying Chamberlain's Pain Balm and without taking any medicine internally. Rev. Amos Parker of Magnolia, North Carolina, suffered for eight years with a lame hip, due to severe rheumatic pains. He has been permanently cured by the free application of Chamberlain's Pain Balm. For sale by all druggists.
